- Workforce

Planning and  
Employment

- Learning and

Development

- Total Rewards
- Employee and

Labor Relations

- Risk Management

The nationally

*Page 5/216*

recognized credit-by-exam DSST® program helps students earn college credits for learning acquired outside the traditional classroom such as; learning from on-the-job training, reading, or independent study. DSST® tests offer

*Page 6/216*

students a cost-effective, time-saving way to use the knowledge they've acquired outside of the classroom to accomplish their education goals.

Peterson's® Master the(tm) DSST® Organizational Behavior Exam

*Page 7/216*

provides a general overview of the topics students will encounter on the exam such as field and study of organizational behavior, individual processes, interpersonal and group processes, organizational

*Page 8/216*

processes and characteristics, and change and development processes. This valuable resource includes: Diagnostic pre-test with detailed answer explanations  
Assessment Grid designed to help identify areas that

*Page 9/216*

need focus Subject  
Matter Review  
providing a general  
overview of the  
subjects, followed by  
a review of the  
relevant topics and  
terminology covered  
on the exam Post-  
test offering 60  
questions all with  
detailed answer

*Page 10/216*

explanations Key information about the DSST® such as, what to expect on test day and how to register and prepare for the DSST® People, processes, and technology. These are the three major drivers of business

*Page 11/216*

achievement. The best leaders inherently understand that great companies start with great people. This is as true now as it was during the beginning of the industrial revolution, and understanding and

*Page 12/216*

staying current on  
the latest  
organizational  
behavior research  
and best practices  
paves the way for  
managerial success.  
In this updated  
edition of  
Organizational  
Behavior, theory,  
new research and

*Page 13/216*

real-world case studies are combined in an engaging manner to blend together the critical concepts and skills needed to successfully manage others and build a strong organization across all levels of a company. Featuring

*Page 14/216*

an in-depth view of the process and practice of managing individuals, teams, and entire organizations, the text provides a solid foundation for students and future managers.

Why do people behave the way they

*Page 15/216*

do? What causes different people to react differently to the same situation? Why are some Organisations more successful than others, even though they appear to be managed in the same manner? All of these questions –

*Page 16/216*

and more – are the substance of what organisational behaviour is all about. Organizational behaviour (OB) is the systematic study of the actions and attitudes that people exhibit within organisations. It is individual behaviour

*Page 17/216*

and group dynamics in organisations. The study of organisational behaviour is primarily concerned with the psychosocial, interpersonal and behavioural dynamics in organisations.

*Page 18/216*

However,  
organisational  
variables that affect  
human behaviour at  
work are also  
relevant to the study  
of organisational  
behaviour. It is in this  
context, a textbook  
on introduction to  
the subject of  
**Organizational**

*Page 19/216*

behavior is presented to the students of Management program. The book contains the syllabus from basics of the subjects going into the intricacies of the subjects. All the concepts have been explained with relevant examples

*Page 20/216*

and diagrams to make it interesting for the readers. An attempt is made here by the experts to assist the students by way of providing case based study material as per the curriculum with non-commercial considerations.

*Page 21/216*

However, it is implicit that these are exam-oriented Study Material and students are advised to attend regular class room classes in the Institute and utilize reference books available in the library for In-depth knowledge. We

## M

Presents an introduction to the field of organizational behavior.

This title follows a practical approach that shows the power of organizational behavior theory for understanding one's behavior and the behavior of others in any organization.

People are social animals and change is a

*Page 152/216*

social process. To understand this social process and explain the thoughts, feelings and behaviours of individuals, knowledge of how people are influenced by the presence of others is crucial. In this regard, bias, is a concept with a lot of potential.

Cognitive and social biases, by influencing

*Page 153/216*

human thinking, feelings, and behaviour, provide insights and knowledge that are helpful, if not essential for the field of organisational behaviour and change management. The statements stated above may seem obvious and self-evident, but practice as well as science, show that it is not.

*Page 154/216*

Organizational  
Behaviour and Change  
Management: The  
Impact of Cognitive and  
Social Bias aims at  
unleashing the potential  
of cognitive and social  
biases to develop a more  
effective change  
management theory and  
practice. To do so  
thousands of scientific  
articles were analysed  
and assessed. The most

*Page 155/216*

prominent biases are structured by using a practical and comprehensible framework based on five core social motives (belonging, understanding, controlling, trusting and self-enhancing). With its evidence-based, systematic and integrative approach, this book provides

*Page 156/216*

scientists and practitioners in the field of organisational behaviour and change management with the best available evidence, linking biases to organisational behaviour and change and thereby further enriching the field of change management.

In addition to test questions in each of the

*Page 157/216*

five domains and two practice tests in print and online, this all-in-one study guide also contains flashcards for learning terms. This book is current with The Standard for Program Management, Fourth Edition, and its author is the second person in the world to have earned the PgMP® certification. The online versions of

*Page 158/216*

the practice test simulate taking the actual exams and provide scoring as above target, target, below target, or needs improvement. Answers come with explanations and references.

Questions are written to improve reading skills and teach how to select the best answer, which are key to passing the exam.

*Page 159/216*

Delivering what we've  
come to expect from  
this author team,  
McShane/Von Glinow  
5e helps everyone make  
sense of OB, and  
provides the conceptual  
tools to work more  
effectively in the  
workplace. In their new  
Fifth Edition, McShane  
and Von Glinow  
continue the trailblazing  
innovations that made

*Page 160/216*

previous editions of  
Organizational Behavior  
recognized and adopted  
by the new generation  
of organizational  
behavior (OB)  
instructors. McShane  
and Von Glinow 5e is  
acclaimed for:  
Readability,  
presentation of current  
knowledge Strong  
International/Global  
orientation

*Page 161/216*

Contemporary Theory  
Foundation (without the  
jargon) Active Learning  
and Critical Thinking  
Support Textbook's  
philosophy-OB  
knowledge is for  
everyone, not just  
traditional managers.  
Reality is that everyone:  
sales representatives,  
production employees,  
physicians – needs OB  
knowledge to

*Page 162/216*

successfully thrive in  
and around  
organizations. The  
authors' ability to  
engage students by  
introducing cutting edge  
OB topics while  
providing relevancy to  
OB concepts through  
the 'linking theory with  
reality' approach, is the  
reason OB 5e remains  
unparalleled in its  
ability to engage

*Page 163/216*

students. Hundreds of fascinating real-life stories captured from around the world, ‘Linking Theory with Reality’, remains one of the text’s key, hearty features. The first to bring OB cutting edge topics, OB 5e continues introducing students to the present and future context of emerging workplace realities:

*Page 164/216*

social networks and  
virtual teams replacing  
committee meetings,  
knowledge replacing  
infrastructure, values  
and self-leadership  
replacing command-and-  
control management;  
companies looking for  
employees with  
emotional intelligence  
and team competencies,  
not just technical  
smarts. Diversity and

*Page 165/216*

globalization have become challenges as well as competitive opportunities for organizations.

Coworkers aren't just down the hall; they're at the other end of an Internet connection located around the world, and much, much, more.
