Biography of the American novelist,
Joan Didion (1934).

These eleven masterful stories - the first collection from acclaimed author Jennifer Egan - deal with loneliness and longing, regret and desire. Egan's characters, models and housewives, bankers and schoolgirls, are united by their search for something outside their own realm of experience. They set out from locations as exotic as China and Bora Bora, as cosmopolitan as downtown

Manhattan, or as familiar as suburban Illinois to seek their own transformations. Elegant and poignant, the stories in Emerald City are seamless evocations of self-discovery.

This warm and practical guidebook by celebrated author and educator Ralph Fletcher demystifies the teaching of writing and shows how to engage every student.

The Luminaries

When I Was a Kid

A fresh look at the concept of elegance and Parisian style, personified by the iconic fashion of Roger Vivier. For

decades, Roger Vivier has created visionary shoes and bags that, over time, have become icons of fashion. This book tells the story of this achievement and offers a fresh take on the designer's legendary accessories, as seen through the eyes of young enterprising fashion bloggers and tastemakers including Charlotte Groeneveld (The Fashion Guitar website), Chriselle Lim (The Chriselle Factor website), Eleonora Carisi (Joujou Villeroy website), and Tamu McPherson (All the Pretty Birds website). For the first time, objects of this legendary luxury brand will be interpreted directly by those who wear them, people who live their lives "inside" the Vivier brand.

* Analyzes the art of Frida Kahlo and

incorporates the most up-to-date research available on the work of the artist* Published to accompany an exhibition at the MUDEC in Milan, from February to June 2018 Frida Kahlo, a truly extraordinary woman who captured the public's imagination with her iconic look, troubled life and exotic air, is first and foremost a great painter. This exhibition and accompanying catalogue aim to free her work from the haze of myth and the frustrating limits of private life in order to grant her the position she deserves within the history of art. Oil paintings, drawings, watercolors, letters and photographs explore the complex historical and cultural context of Kahlo's work, examining its explicit realism as well as its disturbing

ambiguity, its dramatic content as well as its irony, and not least, the exuberant sensuality of her still lifes. Organized by theme in several large chapters, the catalogue analyses the art of Frida Kahlo, revealing its uncompromising political nature, audacious use of the body, macabre, violent aesthetic, and symbolic and symbiotic interaction with the natural environment of Mexico in the early 1900s. The catalogue represents the most up-to-date text available on the work of one of the most celebrated and beloved artists of all time.

With his acclaimed bestsellers, *Hostage* and *Demolition Angel*, Robert Crais drew raves for his unstoppable pacing, edgy

characterizations, and cinematic prose. Now, Crais returns to his signature character, Los Angeles private investigator Elvis Cole, in a masterful page-turner that probes the meaning of family and the burdens of the past. Elvis Cole is back... Elvis Cole's relationship with attorney Lucy Chenier is strained. When she moved from Louisiana to join Elvis in Los Angeles, she never dreamed that violence would so easily touch her life—but then the unthinkable happens. While Lucy is away on business and

her ten-year-old son, Ben, is staying with Elvis, Ben disappears without a trace. Desperate to believe that the boy has run away, evidence soon mounts to suggest a much darker scenario. Joining forces with his enigmatic partner, Joe Pike, Elvis frantically searches for Ben with the help of LAPD Detective Carol Starkey, as Lucy's wealthy, oil-industry ex-husband attempts to wrest control of the investigation. Amid the maelstrom of personal conflicts, Elvis and Joe are forced to consider a more troubling lead—one

indicating that Ben's disappearance is connected to a terrible, long-held secret from Elvis Cole's past. Venturing deep inside a complex psyche, Crais explores Elvis's need for family—the military that embraced him during a troubled adolescence, his rock-solid partnership with Pike, and his floundering relationship with Lucy—as they race the clock in their search for Ben. The Last Detective is Robert Crais' richest, most intense tale of suspense yet.

The colorful boyhood of a popular author comes to life in this personal account Imagine learning from a nosy classmate that your mother is having yet another baby. To Ralph's classmates, news of one more Fletcher baby is just "scuttlebutt." But for Ralph, the oldest of nine, being part of a large family means more kids to join in the fun—from making tripods in the woods and "snicking" up the rug,

to raising chicks and even discovering a meteor (well, maybe). It doesn't feel like there's life beyond Marshfield, Massachusetts. Then one day Dad's new job moves the family to Chicago, and there's so much Ralph has to leave behind. In this humorous and captivating memoir, Ralph Fletcher traces the roots of his storytelling. After impulsively lying his way into an elite preparatory school, sophomore Bobby Steele hopes to escape the shame of his father's well-publicized incarceration but keeps waiting for his secret to be revealed.

Have you ever felt like you're living out a script written for you by others-in your work, your relationships, or spirituality? "To break through the norms we've been conditioned to believe is an act of rebellion," writes Chandresh Bhardwaj. "It is not about being stubborn or

'bringing down the man.'
It's about following your soul's deepest longing. It's about making a decision to question what you've been told is true." There are no "right answers" in spirituality, but asking the right questions can help us discover who we are and what we are becoming. In *Break the Norms*, Chandresh illuminates the unconscious beliefs we carry about matters of sex, death, love, ego, God, and gurus-then offers penetrating questions and self-inquiry practices to help us separate our own truth from the products of the status quo. Here is the long-awaited first book from

In Finding it in Everything, Barrymore shares the photographs she has taken of heart-shaped objects and patterns she has come across over the past ten years. Some are obvious and others barely discernible. A discarded straw wrapper, a hole in a T-shirt, a scallion in a bowl of miso soup -- seemingly everywhere she turns her lens a heart reveals itself. A very personal collection of images, many of them accompanied by brief captions that reflect on beauty in the everyday, Finding it in Everything is

photographers such as Richard Avedon, Irving Penn, and Bruce Weber. The pictures are accompanied by three very different kinds of writing: commentary by Hamish Bowles, Style Editor of American Vogue; a new short story by Isabella Bossi Fedrigotti, an Italian journalist and award-winning novelist; and a text by Lady Julia Trevelyan Oman. The winner of the Man Booker Prize, this "expertly written,

perfectly constructed" bestseller (The Guardian) is now a Starz miniseries. It is 1866, and Walter Moody has come to stake his claim in New Zealand's booming gold rush. On the stormy night of his arrival, he stumbles across a tense gathering of 12 local men who have met in secret to discuss a series of unexplained events: a wealthy man has vanished, a prostitute has tried to end her life, and an enormous cache of gold

has been discovered in the home of a luckless drunk. Moody is soon drawn into a network of fates and fortunes that is as complex and exquisitely ornate as the night sky. Richly evoking a mid-nineteenth-century world of shipping, banking, and gold rush boom and bust, *The Luminaries* is at once a fiendishly clever ghost story, a gripping page-turner, and a thrilling novelistic achievement. It richly confirms that Eleanor

Catton is one of the brightest stars in the international literary firmament.

house of Pomellato's fiftieth anniversary, this book explores its signature vibrant jewels through the lens of 1967, the year of its founding. The Italian house of Pomellato's jewelry merges Italian craftsmanship with audacious design. Celebrating the house's fiftieth anniversary, this book delves into the links between Pomellato's jewels and the highlights of 1967—the year of the firm's founding—and beyond. Through iconic images captured by Horst P. Horst, Helmut Newton, Peter Lindbergh, and more, Pomellato: Since 1967 relates the cultural, technological, and artistic

revolutions of the 1960s and onward. From the Vespa to the Summer of Love, from Andy Warhol to Twiggy, this book confronts the great cultural moments of the 1960s with stunning shots of Pomellato's fine jewelry. Emblematic pop art creations, comic designs, and kaleidoscopic prints echo Pomellato's hallmark rounded, colorful jewels in playful compositions throughout this breathtaking title.

In the 1960s, Andy Warhol's paintings redefined modern art. His films provoked heated controversy, and his Factory was a hangout for the avant-garde. In the

1970s, after Valerie Solanas's attempt on his life, Warhol become more entrepreneurial, aligning himself with the rich and famous. Bob Colacello, the editor of Warhol's Interview magazine, spent that decade by Andy's side as employee, collaborator, wingman, and confidante. In these pages, Colacello takes us there with Andy: into the Factory office, into Studio 54, into wild celebrity-studded parties, and into the early-morning phone calls where the mysterious artist was at his most honest and vulnerable. Colacello gives us, as no one else can, a riveting portrait of this

extraordinary man:
brilliant, controlling, shy,
insecure, and immeasurably
influential. When Holy
Terror was first published
in 1990, it was hailed as
the best of the Warhol

decades later, this

"Irresistibly sunny... Set in the brightly lit Mediterranean amid old olive trees and sexual intrigue, music and wine and beautiful women...

Propulsive." -The New York Times Book Review

"The perfect book for pretending it's already beach season." -O, The Oprah Magazine A romantic page-turner propelled by the sixty-

year secret that has shaped two families, four lovers, and one seaside resort community. Set against dramatic Mediterranean Sea views and lush olive groves, *The Rocks* opens with a confrontation and a secret: What was the mysterious, catastrophic event that drove two honeymooners apart so suddenly and absolutely in 1948 that they never spoke again despite living on the same island for sixty more years? And how did their

history shape the Romeo and Juliet-like romance of their (unrelated) children decades later? Centered around a popular seaside resort club and its community, The Rocks is a double love story that begins with a mystery, then moves backward in time, era by era, to unravel what really happened decades earlier. Peter Nichols writes with a pervading, soulful wisdom and self-knowing humor, and captures perfectly this world of

glamorous, complicated,
misbehaving types with
all their sophisticated
flaws and genuine
longing. The result is a
bittersweet,
intelligent, and
romantic novel about how
powerful the perceived
truth can be—as a bond,
and as a barrier—even if
it's not really the
whole story; and how one
misunderstanding can
echo irreparably through
decades.
