

disbelief that it exists, that it's so magically written and most of all that it is based on true events... a hard-hitting, soul-crushing book of a woman's struggle to survive... I loved every moment of it. Breathlessly, and in a way that took up my entire brain... immersive, heart-wrenching, and I feel emotional writing this review. ' Goodreads reviewer, 5 stars ' From the moment I started reading The Company Daughters, I was captivated by this historical tale. Although it does contain a love story, it's not a romance...This was a gripping read. ' Goodreads reviewer ' This book is so stunningly tender and beautiful, all mixed in with some seriously tragic and heart-wrenching events... Rajaram is an extremely skilled writer, and I love her writing style... The themes of sisterhood and female love were so present in this book and I found it very moving. ' Goodreads reviewer ' I was enchanted by this book! It ' s a delightful read that will have your emotions all over the place. ' Goodreads reviewer ' I love historical fiction, and this book touched on a topic and time I knew nearly nothing about...There ' s love, there ' s loss, there ' s surviving, there ' s thriving... It was a very beautiful book. ' Goodreads reviewer ' The Company Daughters is a beautifully written love story... a perfect example of the power of human will and the endurance and hope that love can give a person. ' Goodreads reviewer, 5 stars ' This book has a beauty and grace to it. The author ' s writing just flows off the page, and although there are struggles and upsets by the time you close the book over you are filled with a warm glow. ' Goodreads reviewer ' A powerful and insightful read. I look forward to reading more historical work by Samantha Rajaram! ' Goodreads reviewer ' Heartbreaking... a moving book... vivid, with amazing characters... This is a great read. ' Goodreads reviewer

Two broken hearts. One fake dating agreement. What could go wrong? Lucie thought she had it all—a loving fiancé, a nice apartment, and a job she was great at. But that all changed the day she walked in on her perfect fiancé screwing his personal trainer on her newly purchased dream sofa. Three months later, she ' s bunking with her best friend and scrambling to make sense of her life sans cheating ex. Theo is about to jet off for a long weekend in picturesque Scotland to be the best man at his brother ' s wedding. With stunning views and nothing but free food and drinking ahead, he should be more excited than he is. If only he didn ' t have feelings for the damn bride. When fate throws Lucie and Theo together under unlikely circumstances, they bond over doughnuts and their mutually disastrous love lives ... and it seems like they might be able to help each other out. As long as they both stick to the rules, there ' s nothing that can go wrong. Contract in place? Check. Hot, fake dates? Check. Sexual chemistry steamy enough to scorch sheets? Double che— Wait, what? That wasn ' t in the agreement ... A standalone romcom. Book 2 in the Love For Days series. Please note: Although this book can be read as a standalone, it is set after Man Crush Monday (Book 1 in the series) so will contain spoilers.

A well-rounded and articulate examination of polymer properties at the molecular level. Polymer Chemistry focuses on fundamental principles based on underlying chemical structures, polymer synthesis, characterization, and properties. It emphasizes the logical progression of concepts and provide mathematical tools as needed as well as fully derived problems for advanced calculations. The much-anticipated Third Edition expands and reorganizes material to better develop polymer chemistry concepts and update the remaining chapters. New examples and problems are also featured throughout. This revised edition: Integrates concepts from physics, biology, materials science, chemical engineering, and statistics as needed. Contains mathematical tools and step-by-step derivations for example problems Incorporates new theories and experiments using the latest tools and instrumentation and topics that appear prominently in current polymer science journals. The number of homework problems has been greatly increased, to over 350 in all. The worked examples and figures have been augmented. More examples of relevant synthetic chemistry have been introduced into Chapter 2 ("Step-Growth Polymers"). More details about atom-transfer radical polymerization and reversible addition/fragmentation chain-transfer polymerization have been added to Chapter 4 ("Controlled Polymerization"), Chapter 7 (renamed "Thermodynamics of Polymer Mixtures") now features a separate section on thermodynamics of polymer blends. Chapter 8 (still called "Light Scattering by Polymer Solutions") has been supplemented with an extensive introduction to small-angle neutron scattering. Polymer Chemistry, Third Edition offers a logical presentation of topics that can be scaled to meet the needs of introductory as well as more advanced courses in chemistry, materials science, polymer science, and chemical engineering.

The Undoing

Caught in the Storm

In New York Times bestseller Allison Brennan ' s Cold as Ice, FBI Agent Lucy Kincaid must get into the head of a psychopath to save her family, and herself Two years ago, FBI Agent Lucy Kincaid put psychopath Elise Hansen Hunt in juvenile detention for her role in an organized crime syndicate. Now eighteen, Elise has been released with a clean slate, and plans to take her revenge by making Lucy ' s life hell. The plot begins with Lucy ' s husband Sean Rogan, who has been arrested for a murder he most certainly did not commit. Lucy is determined to prove Sean ' s innocence, but is warned off the case by her boss. As she calls in reinforcements, she learns that Sean ' s brother Kane is missing in Mexico, her partner Nate Dunning has been arrested for possession of cocaine, and her friend Brad Donnelly has been kidnapped outside DEA headquarters. Lucy realizes that Elise doesn ' t have the resources or patience to execute such a devious plan. Did Elise ' s father orchestrate everything from prison? Or is there someone even more calculating seeking revenge on Lucy by hurting the people she loves? One thing is certain: if Lucy doesn ' t find the answers fast, Sean will die.

Jessica Moore, demure governess to a spoiled young girl who is expecting a marriage proposal from the Earl of Rutherford, a guest in her father's home, is unwise enough to creep downstairs to the library one night when she cannot sleep, to choose a book to read. There she is discovered, first by the earl, and then by her employer. Though she is quite innocent of any wrongdoing, she is dismissed without notice and without a character. The earl, conscience-stricken, tries to make amends by offering her a position as his mistress, but when she refuses, he gives her a letter to take to his grandmother in London. In it he begs his grandmother to find employment for Miss Moore. Neither he nor Jessica expects that the offered employment will be as his wife.
