Paul Simon was right about the mother and child reunion being a very close bond. The parent-child relationship is qualitatively different than all of our other relationships.

Page 25/102

10 Things to Know About Parent-Child Relationships ...

To maintain our ongoing partnership with parents means sharing every milestone, little or large, and engaging with parents to

Page 26/102

provide the highest standard of early education for each and every child. It's about recognising that parents are to be valued and appreciated as much as their children and that without parents as partners, our role wouldn't exist.

My professors offered a 3-part answer: 1) since the parents are paying for the sessions the records are theirs and they can ask for

Page 31/102

them any time, 2) the parents are responsible both legally and morally for their children so they have a right to know what's talked about, and 3) the counselor, taking points 1 and 2 into account, must always strive to do what is in the best

interest of the client.

Do therapists tell parents what kids say? | counselorsoapbox

Other Ways To Improve Your Parent-Child Relationship There are many ways to improve the

Page 33/102

relationship that you have with your children, so do not worry if you are not quite ready to try counseling. You can try the suggestions below before giving therapy a chance, or you can combine them with therapy for an even greater improvement in

the relationship you have with your child.
