Contact your local Philco contractor for quotes on natural
gas furnace installation. Fixed-Speed, Two-Stage Gas
Furnaces – 80% and 95.1% AFUE. The energy-saving
performance of a two-stage natural gas furnace can
really pay off over the long run. These systems come in

Page 1/37

two efficiency options – the 80% AFUE gas furnace and the 95.1% AFUE option.

This service manual is designed to be used in conjunction with the installation manual provided with each furnace. This furnace represents the very latest in mid efficiency gas furnace technology. Consequently, certain controls within the furnace consist of highly sophisticated electronic components which are not user serviceable.
