

Political Communication In The Era Of New Technologies Studies In Communication And Politics

Political Communication in the Era of New Technologies ...

Abstract Whatever the result of the 2016 US presidential election, it will signal a new era of political communication. Candidate Donald Trump defeated 16 contenders in the Republican primaries, most of them Republican Party insiders. There are several reasons for this unexpected turn of events.

However, there are also papers which examine traditional channels of political communication in the era of new technologies. Moreover, to the advantage of this book, the chapters explore the phenomenon of political communication not only in the USA and Western Europe, but also in Central Europe, Latin America and Africa.

America can move past the toxic politics of the Trump era — but it won't be easy It's tough to resist the politics of "us versus them." But science suggests we can rewire our brains for pragmatism

Political Communication In The Era
