Perlu is a network that helps the influential be more productive and successful.

It does seem like a lucrative career option and life choice for many people. However, behind all of the glitz and glamour of an influencer 's social media profile, there lies a truckload of hard work and patience. Building and retaining a loyal fan following on social media isn ' t a cakewalk.

When I first started out on YouTube with my best friend, we created some characters because we were only a 2 people team. Peter Papadum was one of these characters and the storyline is that PP and JianHao have a long history of banter and putting each other in tough spots.
