Fiction Science Fiction "Rescue" is the eleventh of a series of near future SciFi/Thrillers whose young heroine Ell Donsaii's nerve mutation makes her a genius and provides her some astonishing athletic abilities. In "Rescue," President Stockton tells the FBI to tone down its efforts to imprison Ell.

Quicker is a near-future SciFi/Thriller whose young heroine, Ell Donsaii, is an intrepid athletic phenom who reminds one of David Weber's Honor Harrington. Like Stieg Larsson's Lisbeth Salander in The Girl With the Dragon Tattoo Ell is also a mathematical genius who, instead of counting sheep, works on her own theory of quantum mechanics to help her drift off to sleep.
