

Reverse Photo Scavenger Hunt

Reverse Photo Scavenger Hunt Youth Game. As an alternative to the standard photo scavenger hunt, this idea involves sending groups of young people out with a less descriptive list of things to capture with a camera. Usually, our photo scavenger hunts involve sending groups out with a list of things to take photos of, then they return, attach all the photos to a poster board and caption them. In this Reverse Caption Photo Scavenger Hunt, you send the team out with a list of creative captions and they must take a photo of something they think best fits the captions.

Ten Fun Scavenger Hunt Ideas for Your Kids | My Kids ...

We did a great reverse scavenger hunt at a camp. We gathered items from all over the camp, including a canoe from the boat house, soap from one of the showers, plate, craft items, etc. The object was to take the item back to where they thought it belonged and find another object with clue to take back.

A reverse photo scavenger hunt uses pictures instead of words on the list of things to find. Players first identify what 's in the photos and then go find the item and take a matching photo . Make the checklist challenging for older kids or even adults by taking pictures at unusual angles or extremely close up.
