Astral Dynamics

The plan was simple. Go to America. Buy a second-hand car. Drive coast-to-coast without giving any money to The Man™. What could possibly go wrong? Dismayed by the

relentless onslaught of faceless American chains muscling in where local businesses had once thrived, Dave Gorman set off on the ultimate American road trip - in search of the true, independent heart of the U S of A. He would eat cherry pie from local diners, re-fuel at dusty gas stations and stock up on supplies from Mom and Pop's grocery store. At least that was the idea. But when did you last see an independent gas station? Gamely, Dave beds down in a Colorado trailer park, sleeps in an Oregon forest treehouse, and even spends Thanksgiving with a Mexican family in Kansas. But when his road trip mutates into an odyssey of near-epic proportions and he finds himself being threatened at gun point in Mississippi, Dave starts to worry about what's going to break down next. The

car... or him?

Complete Finnish Beginner to Intermediate Course

Astral projection is the classic term for what today is more commonly called out-of-body experience or OBE. In this fascinating volume, Robert Bruce has drawn on his lifetime's experience not only traveling in the astral dimension, but teaching others to do so. Astral Dynamics provides, all in one package, a personal narrative, a "how-to," a troubleshooting guide, and a theoretical perspective. Whether you are a skeptic, a veteran astral projector, a novice or an armchair traveler--there is treasure here. Astral Dynamics provides the intelligent and motivated reader with everything needed to put theory into practice: Elements of Projection--Bruce's mind-split theory of what actually goes on during projection New Energy Ways (NEW)--His stunningly

practical method of raising awareness by using touch, which Bruce calls tactile imaging. Core Skills--How to succeed at the three tasks that are essential to success in astral projection. Projection Technique--What you need to know to stop reading about astral projection and actually do it. The Akashic Connection--Speculations on things seen and heard while traveling in astral realms. Written in an engaging, unpretentious manner,Astral Dynamicsis already considered to be a classic. America Unchained
