Materials Management  
Step by Step Guide  
SAP Implementation  
Guide When a client  
purchases SAP, it comes  
in a CD in the form of a

*Page 101/116*

*sap-mm-user-guide*

software. When SAP is first installed, it has its standard setup that needs to be configured according to the needs of the client, i.e., organization.

Configuration of SAP is done with the help of an implementation guide, known as IMG.

Some companies have not prepared the documentation for the

user guide of SAP  
Purchase Order but this  
document should always  
be in your folder. Every  
company has a different  
system with their  
custom developments  
but the below fields  
might be familiar.
