

Sausage Future

Lars M Ller

Publishers

Literaturwurst (Literature Sausage) is an Artist's book, made by the Swiss-German artist Dieter Roth between 1961 and 1974. Each book was made using traditional sausage recipes, but replacing the sausage meat with a book or magazine. The cover of the edition was then pasted onto the skin of the sausage and signed and dated.

Sausage Future Lars M Ller

Sausage of the Future takes the reader on a journey through all the building blocks of a sausage. It stops along the way to explore issues like moistness, flavoring, glue and preservation. The publication catalogues different types of sausages and presents lesser-known ingredients, carefully selected for their potential regarding the future.
