

Save The Children Procurement Manual

Downloads – Care Toolkit

Save the Children believes every child deserves a future. In the U.S. and around the world, we give children a healthy start in life, the opportunity to learn and protection from harm. We do whatever it takes for children – every day and in times of crisis – transforming their lives and the future we share.

Save the Children – Albania Country Office is the Affiliated Entity that bears the operational responsibility of the project implementation, in cooperation with The Centre of Integrated Legal Services and Practices (the ‘Co-Applicant’). In the context of a sub-granting scheme and within the contents of this Operational Manual, A dual mandate Country Strategic Plan (CSP), aligned with the Save the Children strategy and informed by a Child Rights Situational Analysis, is developed and actively used. 40. Programs are designed in alignment with the relevant element(s) of the Theory of Change, the Quality Framework and the Country Strategic Plan. Ensure that Save the Children minimum standards of supply chain procedures are introduced and adhered to within Myanmar program, briefing and training all relevant staff as required. Ensure local procurement practises are compliant with Save the Children and donor regulations.
