Laci

Praying for a happy ending, friends and family stood by Laci's grieving husband Scott. Four months later, Laci's decomposed body was found in the murky waters of San Francisco Bay. The body of her child had washed ashore about a mile away, after a possible "coffin birth." It was a sad closure to an exhaustive search, and a grim end to a marriage that by all accounts had appeared to be perfect. Scott Peterson's behavior had cast a mysterious shadow over the death of his pregnant wife: his alibi on the day of the disappearance was questionable; he admitted to an affair with another woman; and when he was finally charged with capital murder, he had altered his appearance. Almost immediately, the media condemned Scott, even though he maintains his innocence. Is Scott Peterson a victim of circumstantial evidence? Despite the state attorney general's claim of a "slam dunk", the case that has gripped the nation is much more complex, and is yielding even more questions, doubts, accusations, and shocking revelations.

Rolling Perfection is a How-To using a specific 2-part LP paint. [Interlux Perfection(tm)] The method is developed by Russell Brown to roll on and not tip with a brush, while still achieving a sprayed look finish. The author has used this method on his boats for over 2 decades and is continually impressed with this particular line of paint. This book describes his method for use with this particular paint. This booklet is usually sold as a digital download through Port Townsend Watercraft. This current print version is the first edition print book created by popular demand but as a second edition due to additional chapters on tactics for painting complex areas, as well as small parts, and applying non-skid. Contact Port Townsend Watercraft if you have already purchased the e-book version for a special price on this second edition.
