Servis Quartz 600 history - [automaticwasher.org](http://automaticwasher.org)

Servis Washing Machine Fault Codes. Like other fault codes these written for washing machine repairers and not for the general public by Servis and UK Whitegoods and they assume a certain level of competence on the part of the user in diagnostic routines. We have added some notes to try to assist you in determining the nature of the fault you ...

### Servis Quartz Washing Machine Fault Codes

Servis Washing Machines are made with real life in mind. They 're adaptable and easy to use, balancing eco-friendly technology with great performance. With a wide range of models and programmes, from a 12 or 15 minute small load quickwash, right up to an 8kg A rated heavily soiled wash, there is the right machine for you.

### Servis - Washing Machines

The 1980s were dominated by the Servis Quartz range. These innovative machines were the first washing machines in the world to harness quartz technology for increased precision. This made the Servis Quartz one of the most advanced and reliable washing machines of its time. In fact some Quartz machines are still going strong today, over 30 years ...
