“The Shadows from the Past series is perfect for a rainy day and a must-have for a child's shelves.”

READERS' FAVORITE BOOK REVIEWS “ The Shadow of Atlantis is a well-written story with a collection of likable main characters, a solid plot line, snippets of educational facts about a historically important location and event, and, is filled with mystery, magic, and suspense.

The Shadow of Atlantis (Shadows from the Past Book 1 ...

In The Shadow of the Past, Gregory D. Miller examines the role that reputation plays in international politics, emphasizing the importance of reliability—confidence that, based on past political actions, a country will make good on its promises—in the formation of military alliances. Challenging recent scholarship that focuses on the importance of credibility—a state’s reputation for following through on its threats—Miller finds that reliable states have much greater freedom in ...
