

Since We Fell

“[A] well-crafted and cunning debut novel...a testament to the resilience of the human spirit.” —Publishers Weekly *The Summer We Fell Apart* by newcomer Robin Antalek is a poignant, funny, and totally engrossing novel of family disasters and sibling rivalry—and it marks the debut of a pitch-perfect new voice in contemporary American fiction.

Antalek’s tale of the trials and many tribulations of the hapless and more than a little dysfunctional Haas family recalls the work of Sue Miller and Ann Beattie—and is a wonderful introduction to a superb writer whose short fiction has been nominated for numerous awards, including the Glimmer Train’s Family Matter’s and Short-Story Award and the Bellingham Review’s Tobias Wolff Award for Fiction.

Adam Stewart is every girl's fantasy - captain of the football team, smart, funny, hot. I've had a crush on him for years but he never noticed me. Until now. Dating Adam is a dream come true. I should be happy about it, but it's hard because my best friend Cruz is acting strange. Almost like he's jealous. But that can't be. Can it? Cruz and I have been inseparable since we were kids. He's always been like a brother to me. But lately things have changed. He's different, and I'm starting to see him in a new light. Our relationship is evolving in a way I never thought possible. I don't want to lose him, but am I willing to give up Adam for him?

Jasmine Aimaq’s stunning debut explores Afghanistan on the eve of a violent revolution and the far-reaching consequences of a young Kochi girl’s tragic death. Afghanistan, 1970s. Born to an American mother and a late Afghan war hero, Daniel Sajadi has spent his life navigating a complex identity. After years in Los Angeles, he is returning home to Kabul at the helm of a US foreign aid agency dedicated to eradicating the poppy fields that feed the world’s opiate addiction. But on the drive out of Kabul for an anniversary trip with his wife, Daniel accidentally hits and kills a young Kochi girl named Telaya. He is let off with a nominal fine, in part because nomad tribes are ignored in the eyes of the law, but also because a mysterious witness named Taj Maleki intercedes on his behalf. Wracked with guilt and visions of Telaya, Daniel begins to unravel, running from his crumbling marriage and escalating threats from Taj, who turns out to be a powerful opium khan willing to go to extremes to save his poppies. This groundbreaking literary thriller reveals the invisible lines between criminal enterprises and political regimes—and one man’s search for meaning at the heart of a violent revolution.

The sport she loves is out of reach. The boy she loves wants someone else. What now? She expected to start Harkness College as a varsity ice hockey player. But a serious accident means that Corey Callahan will start school in a wheelchair instead. Across the hall, in the other handicapped-accessible dorm room, lives the too-delicious-to-be real Adam Hartley, another would-be hockey star with his leg broken in two places. He’s way out of Corey’s league. Also, he’s taken. Nevertheless, an unlikely alliance blooms between Corey and Hartley in the “gimp ghetto” of McHerrin Hall. Over tequila, perilously balanced dining hall trays, and video games, the two cope with disappointments that nobody else understands. They’re just friends, of course, until one night when things fall apart. Or fall together. All Corey knows is that she’s falling. Hard.

But will Hartley set aside his trophy girl to love someone as broken as Corey? If he won't, she will need to find the courage to make a life for herself at Harkness — one which does not revolve around the sport she can no longer play, or the brown-eyed boy who's afraid to love her back. . The new novel from New York Times bestseller Dennis Lehane, author of *Mystic River* and *Shutter Island* “Lehane is the master of complex human characters thrust into suspenseful, page-turning situations.” —Gillian Flynn *Since We Fell* follows Rachel Childs, a former journalist who, after an on-air mental breakdown, now lives as a virtual shut-in. In all other respects, however, she enjoys an ideal life with an ideal husband. Until a chance encounter on a rainy afternoon causes that ideal life to fray. As does Rachel's marriage. As does Rachel herself. Sucked into a conspiracy thick with deception, violence, and possibly madness, Rachel must find the strength within herself to conquer unimaginable fears and mind-altering truths. By turns heart-breaking, suspenseful, romantic, and sophisticated, *Since We Fell* is a novel of profound psychological insight and tension. It is Dennis Lehane at his very best. 'Complex, tense, compelling' Lee Child 'Hitchcockian...with characteristically twisty action and crackling dialogue' *Guardian Best Crime & Thriller Books of 2017* On a Tuesday in May, in her thirty-fifth year, Rachel shot her husband dead. He stumbled backward with an odd look of confirmation on his face, as if some part of him had always known she'd do it.

Rachel's husband adores her. When she hit rock bottom, he was there with her every step of the way as she slowly regained her confidence, and her sanity. But his mysterious behaviour forces her to probe for the truth about her beloved husband. How can she feel certain that she ever knew him? And was she right to ever trust him? Bringing together Dennis Lehane's trademark insightful and empathetic characterisation, razor-sharp dialogue, stunning atmosphere and breakneck twists and turns, *Since We Fell* is a true masterpiece that will keep you in suspense until the very end.

Now available with a contemporary look, a must-have collection of riveting short stories from the New York Times bestselling author of *Mystic River* and *Shutter Island*. “Locations are vivid and crisp, characters are memorable and, most importantly, the story lines dig into you and leave their mark.” —*Boston Herald* When it comes to contemporary crime fiction there's no territory quite as dangerous and unpredictable as that of New York Times bestselling author Dennis Lehane. These five short stories and a play are Lehane at his visceral best. In “*Running Out of Dog*,” a vet returning from Vietnam is asked to redirect the violent skills he learned overseas to deal with his hometown's rampant population of strays. “*ICU*” follows a hunted man who finds refuge in the oddest place imaginable. Surprises await a gang of Texas high-school football jocks who lay siege to a luxury home in the suburbs in “*Gone Down to Corpus*.” And in “*Mushrooms*,” a simple theft triggers a series of murders that forces a disillusioned young girl to consider her next move. This collection also includes “*Until Gwen*” and its stage adaptation, *Coronado*, which expands on the trenchant tale of a morally bankrupt conman father, his ill-fated son, and the woman they have in common. In Lehane's capable hands, each story faces unflinchingly the darkest depths of the human experience—sin and redemption, loss and longing, flesh and blood—delivering a knockout punch that'll have readers reeling.

From New York Times bestselling author Dennis Lehane comes this epic, unflinching tale of the making and unmaking of a gangster in the Prohibition Era of the Roaring Twenties—now a Warner Bros. movie starring Ben Affleck, Elle Fanning, Zoe Saldana, and Sienna Miller. Boston, 1926. The '20s are roaring. Liquor is flowing, bullets are flying, and one man sets out to make his mark on the world. Prohibition has given rise to an endless network of underground distilleries, speakeasies, gangsters, and corrupt cops. Joe Coughlin, the youngest son of a prominent Boston police captain, has long since turned his back on his strict and proper upbringing. Now having graduated from a childhood of petty theft to a career in the pay of the city's most fearsome mobsters, Joe enjoys the spoils, thrills, and notoriety of being an outlaw. But life on the dark side carries a heavy price. In a time when ruthless men of ambition, armed with cash, illegal booze, and guns, battle for control, no one—neither family nor friend, enemy nor lover—can be trusted. Beyond money and power, even the threat of prison, one fate seems most likely for men like Joe: an early death. But until that day, he and his friends are determined to live life to the hilt. Joe embarks on a dizzying journey up the ladder of organized crime that takes him from the flash of Jazz Age Boston to the sensual shimmer of Tampa's Latin Quarter to the sizzling streets of Cuba. *Live by Night* is a riveting epic layered with a diverse cast of loyal friends and callous enemies, tough rumrunners and sultry femmes fatales, Bible-quoting evangelists and cruel Klansmen, all battling for survival and their piece of the American dream. At once a sweeping love story and a compelling saga of revenge, it is a spellbinding tour de force of betrayal and redemption, music and murder, that brings fully to life a bygone era when sin was cause for celebration and vice was a national virtue.

In the tradition of Sarah Dessen, this powerful debut novel is a compelling portrait of a young girl coping with her mother's cancer as she figures out how to learn from—and fix—her past mistakes. Few things come as naturally to Harper as epic mistakes. In the past year she was kicked off the swim team, earned a reputation as Carson High's easiest hook-up, and officially became the black sheep of her family. But her worst

mistake was destroying her relationship with her best friend, Declan. Now, after two semesters of silence, Declan is home from boarding school for the summer. Everything about him is different—he ' s taller, stronger...more handsome. Harper has changed, too, especially in the wake of her mom ' s cancer diagnosis. While Declan wants nothing to do with Harper, he ' s still Declan, her Declan, and the only person she wants to talk to about what ' s really going on. But he ' s also the one person she ' s lost the right to seek comfort from. As their mutual friends and shared histories draw them together again, Harper and Declan must decide which parts of their past are still salvageable and which parts they ' ll have to let go of once and for all. In this honest and affecting tale of friendship and first love, Emily Martin brings to vivid life the trials and struggles of high school and the ability to learn from past mistakes over the course of one steamy North Carolina summer.

This New York Times bestseller from Dennis Lehane is a gripping, unnerving psychological thriller about the effects of a savage killing on three former friends in a tightly knit, blue-collar Boston neighborhood. When they were children, Sean Devine, Jimmy Marcus, and Dave Boyle were friends. But then a strange car pulled up to their street. One boy got into the car, two did not, and something terrible happened—something that ended their friendship and changed all three boys forever. Twenty-five years later, Sean is a homicide detective. Jimmy is an ex-con who owns a corner store. And Dave is trying to hold his marriage together and keep his demons at bay —demons that urge him to do terrible things. When Jimmy ' s daughter is found murdered, Sean is assigned to the case. His investigation brings him into conflict with Jimmy, who finds his old criminal impulses tempt him to solve the crime with brutal justice. And then there is Dave, who came home the night Jimmy ' s daughter died covered in someone else ' s blood. A tense and unnerving psychological thriller, *Mystic River* is also an epic novel of love and loyalty, faith and family, in which people irrevocably marked by the past find themselves on a collision course with the darkest truths of their own hidden selves.

Joe Coughlin is nineteen when he meets Emma Gould. A smalltime thief in 1920s Boston, he is told to cuff her while his accomplices raid the casino she works for. But Joe falls in love with Emma - and his life changes for ever. That meeting is the beginning of Joe's journey to becoming one of the nation's most feared and respected gangsters. It is a journey beset by violence, double-crossing, drama and pain. And it is a journey into the soul of prohibition-era America... A powerful, deeply moving novel, *Live By Night* is a tour-de-force by Dennis Lehane, writer on *The Wire* and author of modern classics such as *Shutter Island*, *Gone, Baby, Gone* and *The Given Day*.

—Emma Donoghue, author of *The Pull of the Stars* From the award-

winning author of *Ghost Wall* and *Summerwater*, Sarah Moss's *The Fell* is a riveting novel of mutual responsibility, personal freedom, and the ever-nearness of disaster. At dusk on a November evening, a woman slips through her garden gate and turns up the hill. Kate is in the middle of a two-week mandatory quarantine period, a true lockdown, but she can't take it anymore—the closeness of the air in her small house, the confinement. And anyway, the moor will be deserted at this time. Nobody need ever know she's stepped out. Kate planned only a quick walk—a stretch of the legs, a breath of fresh air—on paths she knows too well. But somehow she falls. Injured, unable to move, she sees that her short, furtive stroll will become a mountain rescue operation, maybe even a missing person case. Sarah Moss's *The Fell* is a story of mutual responsibility, personal freedom, and compassion. Suspenseful, witty, and wise, it asks probing questions about how close so many live to the edge and about who we are in the world, who we are to our neighbors, and who we become when the world demands we shut ourselves away.

Ten years have passed since Joe Coughlin's enemies killed his wife and destroyed his empire, and much has changed. Prohibition is dead, the world is at war again, and Joe's son, Tomás, is growing up. Now, the former crime kingpin works as a consigliere to the Bartolo crime family, traveling between Tampa and Cuba, his wife's homeland. The Year We Fell Down

And We're Off

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M
