Social Cognition From brains to culture 3rd Edition by Susan T. Fiske; Shelley E. Taylor and Publisher Sage Publications Ltd (UK). Save up to 80% by choosing the eTextbook option for ISBN: 9781473988262, 1473988268.

Structured in four clear parts, Social Cognition: From Brains to Culture begins with a clear outline of the basic concepts before moving into more topical sections: understanding individual selves and others, followed by making sense of society. The authors finish by looking beyond cognition to affect and behaviour.

Susan Carey: Culture and cognitive development
