

# Sogang Korean 1a Students Book

“ Funny, introspective, and touching. . . . The lessons Meichi gently shares with us through delightful stories are full of wisdom for people at any life stage who need a reminder they ’ re not alone. ” —Mari Andrew, author of *Am I There Yet?* From the creator of *Barely Functional Adult*, a painfully relatable webcomic with over 130k followers on Instagram, comes a never-before-seen collection of incriminating short stories about exes, murder, friendship, therapy, anxiety, Hufflepuff, sucking at things, freaking out about things, calming down momentarily, melodrama, wrinkles, pettiness, and other wonderful delights. Wielding her trademark balance of artful humor, levity, and heartbreaking introspection, Meichi Ng ’ s indisputably relatable collection of short stories holds a mirror to our past, present, and future selves. Featuring a swaddled *Barely Functional Adult* as its protagonist who says all the things we think but dare not say, this book is equal parts humorous and heartbreaking as it spans a spectrum of topics from imposter syndrome, therapy, friendships, first loves, letting go of exes, to just trying to find your purpose in the world. Prepare to excitedly shove this book in your friend ’ s face with little decorum as you shout, “ THIS IS SO US! ” In this beautiful, four-color collection compiled completely of never-before-seen content, Meichi perfectly captures the best and worst of us in every short story, allowing us to weep with pleasure at our own fallibility. Hilarious, relatable, and heart-wrenchingly honest, *Barely Functional Adult* will have you laughing and crying in the same breath, while taking solace in the fact that we ’ re anything but alone in this world.

*My Korean 2, 2nd Edition* is a follow-up to the first volume of *My Korean* which introduces learners to the Korean alphabet and some everyday situations to help them acquire 'survival' Korean. This book consolidates and extends the work begun in the first volume by helping learners continue to develop their ability to communicate in routine social situations. Key features include (1) authentic spoken Korean language examples; (2) authentic styles of speech appropriate to each situation; (3) situation dialogues presented in two modes: colour comics and text only mode; (4) grammar explanations in plain English; (5) many types of exercises; and (6) extra learning materials available online <http://talking2koreans.com>).

*Colloquial Korean* provides a step-by-step course in Korean as it is written and spoken today. Combining a user-friendly approach with a thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Korean in a broad range of situations. No prior knowledge of the language is required. Key features include:

- progressive coverage of speaking, listening, reading and writing skills
- structured, jargon-free explanations of grammar
- an extensive range of focused and stimulating exercises
- realistic and entertaining dialogues covering a broad variety of scenarios
- useful vocabulary lists throughout the text
- additional resources available at the back of the book, including a full answer key, a grammar summary and bilingual glossaries

Balanced, comprehensive and rewarding, *Colloquial Korean* will be an indispensable resource both for independent learners and students taking courses in Korean. This is a thoroughly revised edition of *Integrated Korean: Intermediate 1*, the third volume of the best-selling series developed collaboratively by leading classroom teachers and linguists of Korean. All the series ’ volumes have been developed in accordance with performance-based principles and methodology—contextualization, learner-centeredness, use of authentic materials, usage-orientedness, balance between skill getting and skill using, and integration of speaking, listening, reading, writing, and culture. Grammar points are systematically introduced in simple but adequate explanations and abundant examples and exercises. Each situation/topic-based lesson of the main texts consists of model dialogues, narration, new words and expressions, vocabulary notes, culture, grammar, usage, and English translation of dialogues. In response to comments from hundreds of students and instructors of the second edition, this new third edition features an attractive color design with new photos and drawings and lesson and vocabulary exercises that have been fully reorganized. Each lesson contains a conversational text (with its own vocabulary list) and a reading passage. The accompanying workbook provides students with extensive skill-using activities based on the skills learned in the main text. *Integrated Korean* is a project of the Korean Language Education and Research Center (KLEAR) with the support of the Korean Foundation. In addition to the five-level *Integrated Korean* textbooks and workbooks, volumes include *Korean Composition*, *Korean Language in Culture and Society*, *Korean Reader for Chinese Characters*, *Readings in Modern Korean Literature*, *A Resource for Korean Grammar Instruction*, and *Selected Readings in Korean*. *Got it!* is a course which is comprehensive and innovative in its range of resources, but also offers support and flexibility for the teacher. How does it achieve this? By presenting grammar through dialogues or texts and following up with more detailed analysis, students are able to check their understanding of meaning and context. They are encouraged to try out new structures and are given opportunities to explore the meaning and usage of new language before it is presented and practised more formally. This allows them to discover the language intuitively for themselves and this sense of achievement helps to motivate them. With a strong emphasis on dialogue work and personalization, students are able to understand how the language can work for them. Targeted skills lessons develop this and build their competence further. The outstanding range of components . . . means that every lesson can be varied and exciting. Whether you prefer using print or digital, or a combination of the two, all the resources are at your fingertips - giving you maximum support and flexibility. Maintaining motivation is always a challenge with teenagers, so the topics for each unit have been carefully chosen to help them become culturally aware. In addition, the broad range of issues covered develops their understanding of values.

Revelations received from the Spirit of God always change lives. This 100-day devotional will inspire me to grow in my relationship with God, experience His power and have a life of victory. When you find true revelation from the Spirit of God, you are no longer the same. In today's culture, many people think truth is relative. But the Bible tells us that truth isn't a matter of opinion. Truth is found in God's Word. In Rivers of Divine Truth, Rabbi Kirt A. Schneider, host of the popular TV broadcast Discovering the Jewish Jesus, takes you on a journey through God's Word to discover the living truth revealed in its pages. The Bible speaks to every aspect of our lives, and only when we are grounded in the truth of God's Word we are able to walk in the strength, peace, and victory of God's promises.

An Introduction to Greek and Latin Etymology by John Peile, first published in 1869, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

From an early age, Kiara has been plagued with dreams of another world—dreams in which a girl she doesn't recognize plays a strategy RPG called “ Farzia: Kingdom at War ” . Farzia is, in fact, the same kingdom where Kiara currently lives. Oh, and one other thing: there's an enemy character who's also named Kiara, though her name is Kiara Credias. Naturally, as with any other RPG villain, this enemy is slain by the heroes. So when her adoptive father, Count Patrici é I, orders her to marry Viscount Credias, Kiara comes to a horrifying realization: perhaps those “ dreams ” were visions of things to come! She hatches a plan to get the hell out of Dodge and create a new future for herself—one where she STAYS ALIVE, thank you very much!

The revised second edition of Basic Korean: A Grammar and Workbook is an accessible reference grammar and workbook in one volume. The text can be used in conjunction with any primary textbook, both as a practice book to reinforce learning and as a reference guide to the basics of Korean grammar. This book is comprised of 26 units covering key aspects of Korean grammar students would expect to encounter in their first year learning the language. Grammatical descriptions are followed by examples and exercises which allow students to reinforce and consolidate their learning. This new edition has been updated and enhanced to include more varied exercises and contemporary vocabulary and dialogues. Clearly presented and user-friendly, Basic Korean provides readers with the essential tools to express themselves in a wide variety of situations, making it an ideal reference grammar and practice resource for both beginners and students with some knowledge of the language.
