"Solitary Witch is for those serious about the Wiccan craft: it's a book for new witches who seek and understanding of the history and culture of magic in the Western world, and it includes bits and pieces of information the serious practicing witch might find useful. From charms and plantings to rituals and the history of herbal codes, this is packed with insights and advice for new generation witches.

Solitary Witch: The Ultimate Book of Shadows for the New ...

For a lone beginner with no-one to turn to and uncertain of their future commitment to the craft, The Solitary Witch is a book I ' d recommend. Witchcraft is a highly personal experience and without a coven or structure to follow, much of the learning experience will be trial and error, but Ravenwolf takes out some of the guesswork.
