

## Song Of The Cuckoo Bird

Cuckoo Bird Facts, Cuckoo Pictures

"The Cuckoo" is a traditional English folk song, also sung in the United States, Canada, Scotland and Ireland. It has been covered by many musicians in several different styles. An early notable recorded version was performed by Appalachian folk musician Clarence Ashley with a unique banjo tuning. The song is known by many names, including "The Coo-Coo", "The Coo-Coo Bird", "The Cuckoo Bird", "The Cuckoo Is A Pretty Bird", "The Evening Meeting", "The Unconstant Lover, Bunclody" and "Going to Geo

Black-billed Cuckoos are plain brown above without cinnamon tones and white below with a red ring around the eye and a black bill. From below, note the small white tips on the tail feathers. Sluggish and secretive, the Black-billed Cuckoo often hides in dense vegetation, perching motionless in the trees.

THE CUCKOO BIRD Lyrics - WATSON FAMILY | eLyrics.net  
The answer is simple. The common cuckoo, native to Europe and from whom the sound of the cuckoo clock derives, return from their migration to Africa at the beginning of spring. Their song has long signaled the passing of winter and the arrival of spring. Thus the association between the cuckoo ' s call, the changing of the seasons and time passing.
