***** Fuchsia Dunlop

is the author of the much-loved and critically acclaimed Sichuan Cookery. Now, with The Revolutionary Chinese Cookbook, she introduces us to the delicious tastes of Hunan, Chairman Mao's home province. The southern Chinese province of Hunan is renowned for its beautiful scenery, its hearty peasant cooking, and the revolutionary spirit of its people. It is a region of bold spicy tastes where the chilli reigns supreme, but also of soothing tonic stews and delicate steamed dishes. In this selection of classic recipes interwoven with a wealth of history, legend and anecdote, Fuchsia brings to life this vibrant culinary region. Look out for late imperial dishes like numbing-and-hot chicken, Chairman Mao's favourite red-braised pork, steamed
