photography as a medium run up against our experience of the photographs themselves. We live with photos and cameras every day, and philosophies of the photographic image do little to shake our intimate sense of how we produce photographs and what they mean to us. In this book that is equal parts memoir and intellectual and cultural history, French writer Roger Grenier contemplates the ways that photography can change the course of a life, reflecting along the way on the history of photography and its practitioners.

Page 3/44

Unfolding in brief, charming vignettes, *A Box of Photographs* evokes Grenier's childhood in Pau, his war years, and his working life at the Gallimard publishing house in Paris. Throughout these personal stories, Grenier subtly weaves the story of a lifetime of practicing and thinking about photography and its heroes—Henri Cartier-Bresson, Weegee, Alfred Eisenstaedt, George Brassai, Inge Morath, and others. Adding their own insights about photography to the narrative are a striking range of writers, thinkers, and

artists, from Lewis Carroll, Albert Camus, and Arthur Schopenhauer to Susan Sontag, Edgar Degas, and Eugène Delacroix. Even cameras themselves come to life and take on personalities: an Agfa accompanies Grenier on grueling military duty in Algeria, a Voigtlander almost gets him killed by German soldiers during the liberation of Paris, and an ill-fated Olympus drowns in a boating accident. Throughout, Grenier draws us into the private life of photographs, seeking the secrets they hold for him and for us. A

valedictory salute to a lost world of darkrooms, proofs, and the gummed paper corners of old photo albums, *A Box of Photographs* is a warm look at the most honest of life's mirrors.

Longlisted for the Branford Boase Award 2021 *Izzy* feels invisible. Trapped under the weight of expectation and censored by shame. Her mum Steph and best friend Grace have always been there to save her. But with one under the control of her stepfather and the other caught in the throes of new love, *Izzy* is falling

Beatrix Potter was one of the inventors of the contemporary picture book, and her small novels published at the turn of the twentieth century are still available and popular today. Writing in Code is the first book-length study of Potter's work, and it covers the entire oeuvre, examining all facets of her work in relation to her private life. Daphne Kutzer reveals the depth of the symbolism in Potter's work and relates this to the issues of the author's own development as an independent woman and writer, and her struggles with

domesticity, Unitarianism, and the socio-political issues in late-19th and early-20th century England. Weaving the subtle themes inscribed in Potter's own stories with the concerns and temperament of the author who wrote them, Kutzer exemplifies literary criticism as it can illuminate the breadth of allusion in children's literature.

Griswold ' s narrative spans four decades and six continents—from the glaciers of Patagonia and the psychotronics of Brazil, to academia, the Ivy League, and the study of Eastern medicine. Megan was born into a family who enthusiastically embraced the offerings of New Age California culture—at seven she asked Santa for her first mantra and by twelve she was taking weekend workshops on personal growth. But later, when her newly-wedded husband calls in the middle of the night to say he ' s landed in jail, Megan must accept that her many certificates, degrees and licenses had not been the finish line she ' d once imagined them to be, but instead the preliminary training for what

would prove to be the wildest, most growth-insisting journey of her life.

Perfect for reading aloud, this spare, charming picture book about a day in the life of a pill bug in suburbia is also about an unusual friendship. Hank is a pill bug with a busy life—for a pill bug, that is. His daily routine involves nibbling a dead leaf, climbing up a long stick, avoiding a skateboarder, and playing pretend with his best friend, a human girl named Amelia, in her backyard. And when day is done, Hank likes nothing better than returning home to his cozy rock.

This volume contains books 16-18 of London Lovett's Port Danby Cozy Mystery series. Join Lacey 'Pink' Pinkerton and the cast of colorful, lovable Port Danby characters—including the endearing and handsome Detective James Briggs—for three intriguing murder mysteries. • Thistles and the Unthinkable (Book 16) It's wedding week in Port Danby! Lacey is busy helping Lola get ready for the big day. Nerves, tensions, and jitters are in the air. And so are parents, literally. Everyone is arriving soon in the small town to help Ryder and Lola celebrate their nuptials. All is running smoothly until a

member of the wedding band winds up dead. Now, Lola needs to look for another band and Lacey must toss aside some of the wedding preparations for a murder investigation. • Holly and Horror (Book 17) Hold on to your snow beanies for an exciting crossover event! Lacey and James take off for a ski weekend in the Rocky Mountains. To Lacey's great surprise, she discovers that her friend and fellow sleuth, Sunni Taylor, has booked a room at the same inn for a getaway with her boyfriend, Detective Brady Jackson. The delightful, cozy and romantic weekend turns into chaos when a large storm interrupts all the festivities. When James and Brady are stranded up the mountain, Lacey and Sunni are left alone to figure out who is killing the other guests. Worst of all, they wonder, who will be

next? • Violets and Vengeance (Book 18) Lacey Pinkerton is excited to attend the annual Mayfield Marathon. Her best friend, Elsie, is running in the race. Elsie ' s been training for months and she ' s ready to push through that finish line ribbon. The day promises to bring lots of cheering and excitement but when one of the top runners goes missing, an emergency search uncovers the tragic truth. Was it a terrible accident or foul play? Lacey plans to get to the bottom of it...with the help of her handsome detective boyfriend, of course.

How can we bring the curriculum to life so that all young people of compulsory school age are fully engaged in their learning and achieve to their maximum? Professor Janice Wearmouth and Dr Karen Lindley bring together contributions from practising teachers, researchers and academics to answer this question for a range of educational contexts and demonstrate the positive impact that can be

achieved on student learning at all levels. This edited volume highlights challenges and opportunities within the current English education system. With reflective questions and ideas for teachers to implement in the classroom, this important book bridges the gap between theory and practice and will be invaluable reading for trainee teachers, teacher trainers, qualified teachers and others with an interest in education and the curriculum. "The intrinsic value of the book is that it seeks to illuminate the discussions surrounding the

issues identified, from differing and alternative perspectives in education." Dr Barry Paraskeva Costas, Senior Lecturer in Physical Education, University of Hertfordshire, UK "A highly engaging and refreshing look at how a diverse range of learners might be immersed in their learning, this book provides an imaginative and thought-provoking consideration of creative curricula to involve and inspire learners." Julie Wharton, Senior Lecturer, University of Winchester, UK "This book does an excellent job of drawing together a wide range of

Page 21/44

contributions and contexts that collectively put the challenges and opportunities of curriculum centre stage." Dr Warren Kidd, School of Education and Communities, University of East London, UK Janice Wearmouth is Professor of Education at the University of Bedfordshire, UK. Dr Karen Lindley is Senior Lecturer in Education at the University of Bedfordshire, UK. Both editors are experienced teachers and researchers with continuing close links to Education students, trainee teachers, teacher trainers and practising teachers.

Arthur (Art) Mumby and his irritating sister Myrtle live with their father in the huge and rambling house, Larklight, travelling through space on a remote orbit far beyond the Moon. One ordinary sort of morning they receive a correspondence informing them that a gentleman is on his way to visit, a Mr Webster. Visitors to Larklight are rare if not unique, and a frenzy of preparation ensues. But it is entirely the wrong sort of preparation, as they discover when their guest arrives, and a Dreadful and Terrifying (and Marvellous)

Page 23/44

adventure begins. It takes them to the furthest reaches of Known Space, where they must battle the evil First Ones in a desperate attempt to save each other - and the Universe.

Recounted through the eyes of Art himself, Larklight is sumptuously designed and illustrated throughout.

Mamabear Cherei THE WORLD BENEATH: Award-winning and New York Times bestselling author Rebecca Cantrell drops you into a vast, dark world: 100 miles of living, breathing, tunnels that is the New York City underground. This subterranean labyrinth inhales three million bustling commuters every day. And every day, it breathes them all out again... except for one. Software millionaire Joe Tesla is set to ring the bell on Wall Street the morning his company goes public. On what should be the brightest day in his life, he is instead struck with severe agoraphobia. The sudden dread of the outside is so debilitating, he can't leave his hotel at Grand Central Terminal, except to go underground. Bad luck for Joe, because in the tunnels

lurk corpses and murderers, an underground Victorian mansion and a mysterious bricked-up 1940s presidential train car. Joe and his service dog, Edison, find themselves pursued by villains and police alike, their only salvation now is to unearth the mystery that started it all, a deadly, contagious madness on the brink of escaping The World Beneath. THE TESLA LEGACY: In New York Times bestselling author Rebecca Cantrell's sequel to the award-winning The World Beneath, software genius, Joe Tesla, confronts an equally brilliant and far more powerful foe. Still crippled by agoraphobia and confined to the tunnels under New York City, Joe is haunted by the fact that he cannot even attend his father's funeral. His father ' s death

brings threats to the safety of Joe's underground home: guilt over the broken relationship that can never be healed, a mysterious box of papers inherited from eccentric inventor Nikola Tesla, and a ruthless enemy determined to steal those papers no matter the cost. Mystified by why his inheritance is so valuable, Joe and his service dog, Edison, follow clues left a century ago by Joe's famous ancestor to reveal the power of his family legacy. While Joe must rely on his considerable talents as a hacker, he must also reach out to friends. But whom can he trust as he battles to save his beloved city from . . . The Tesla Legacy? THE CHEMISTRY OF DEATH: Sticks and stones may break my bones, but words can never hurt me...or can they? In the third

This set includes books 25-30 in the Sugar Creek Gang Series: The Ghost Dog, The White Boat Rescue, The Brown Box Mystery, The Watermelon Mystery, The Trapline Thief, and The Blue Cow. In The Ghost Dog, a

fine pet funeral for the finest dog that ever lived in the Sugar Creek Gang territory kicks off this exciting adventure. But when Bill hears a mysterious dog howling in the middle of the night, he wonders if a ghost dog is roaming the woods. And later, in those same woods, strange lights in the sky cause the Gang to wonder if a UFO has come to visit. Solve these nighttime mysteries with the Sugar Creek Gang and discover the answer to this burning question: Will my pet be in heaven? In *The White Boat Rescue*, the *Vida Eterna* fishing boat is racing up and down Sugar Creek and leaving excitement in its wake. John Fenwick, a missionary to Costa Rica, and his wife are spending a month in the new Sugar Creek missionary cabin. New

rifles and fishing tackle boxes lead to some life-or-death adventures for Gang. Come along with the Sugar Creek Gang and learn the importance of swimming upstream with your life, rather than floating downstream like an old, dead fish. In *The Brown Box Mystery*, two leather-jacketed motorcycle gang members ride into town and steer the Sugar Creek Gang into a dangerous adventure. Two mysterious boxes, one from Palm Tree Island and the other offering an anonymous reward, are at the heart of the mystery. Before it's solved, the Gang find themselves held hostage in Old Man Paddler's cabin. Join the Sugar Creek Gang as they see the love of a father in action, the kind that will track down a son who has gone

astray. In *The Watermelon Mystery*, a grocery store robbery occurs. Then, somebody steals Bill Collins's prize watermelon. There's thievery going on near Sugar Creek! And Bill is sure that the Till boys have something to do with it! Poetry and Bill start collecting clues. They find a map of Sugar Creek territory hidden in a floating watermelon and encounter strange happenings in the middle of the night. Join the Sugar Creek Gang as they learn not to jump to conclusions, for some things are not as they appear. In *The Trapline Thief*, someone is stealing muskrats from Circus's traps. When the Sugar Creek Gang follows Circus's hunting dog, Old Jay, they discover much more than a raccoon trapped in a tree. This Indian Summer

adventure includes Halloween pranks, a wild truck ride through an apple orchard, and some genuine fistfights. Everything isn't always as it appears to be on the surface as the Sugar Creek Gang learns that honesty is more than just the best policy... it's the way God commands us to live. In *The Blue Cow*, Bill and Poetry catch the biggest fish ever to swim in Sugar Creek and then are nearly run over by a stampeding blue cow. Shorty Long's fence-crossing cow brings all kinds of adventures to the Sugar Creek Gang. Bill and Shorty mix it up several times, but a crisis with Shorty's blue cow brings the two boys together. Experience the power of prayer as Bill and his mother fight to save the life of Shorty's blue cow.
