The good-old sticker rewards chart meets the social media era in this sticker rewards book for toddlers. Divided into three sections with over 500 stickers, the book offers something for every busy toddler and their parents and teachers. The large-size stickers in the I Did It Myself section are perfect for being displayed on kids' shirts or chests and then photographed and shared on social media, with messages like I brushed my teeth, I fed my pet, and many more. Smaller-size stickers in the Awesome Achievements section celebrate general kid accomplishments with words of encouragement, such as Excellent Work! and Way to Go!, as well as popular icons like smiling faces, emoticons, stars, etc. This section also includes popular stickers with encouraging phrases in an array of languages, from Spanish and

Chinese to Italian and Korean. These stickers are designed to be used by kids and their educators on anything from worksheets and notebooks to tricycles and scooters. And of course we all love a sticker chart, so the last section of the book includes a collection of stickers specially designed for a removable Fold-Out Chart (included) that can be displayed in a child's room, the family room, the kitchen, etc. Move over, coloring books! Here's an entirely new craft that kids will love: Paint by Sticker Kids. Paint by Sticker Kids is the same compelling craft first introduced in Paint by Sticker, but just for kids! The book includes everything you need to create 10 bright, playful, full-color illustrations—illustrated templates printed on perforated card stock, and 10 pages of stickers to fill in and create the artwork. The fun, vibrant images are rendered in “low-poly,” a computer graphics style using geometric polygon shapes to create a 3-D effect. As in paint-by-number, each template is divided into hundreds of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next and voila! It's a rocket ship blasting through space. A Tyrannosaurus rex prowling his domain. A pickup truck hauling its load. A friendly toucan hanging on his perch. Kids will love watching these pictures come to life. Plus, each is suitable for framing or the fridge.
