others. Frequently Asked Questions Is watching the movie essential for the study? It's helpful to watch the movie prior to beginning the study. If that's not possible, each

session includes the movie script references along with free downloadable videos for each weekly session. What are the video segments and where can I find them? Each

video session is approximately 7-10 minutes and includes excerpts from the movie. It's available for free, in both downloadable and streaming options, on the

publisher's website. How long is the study? Ideally, the study is completed in five weekly session. Does each person in the study need their own book? Yes. It's most

helpful for learning purposes if each person has their own book and works through the study questions prior to each class. However, couples might find it convenient

to share a book. Is there study outside of class? It's recommended that each participant answer weekly study questions prior to class which should take no more than 30-45 minutes

per week. Can anyone lead the study? Absolutely! The study is created in a discussion format allowing leaders to simply guide participants through each study question at weekly

*Page 78/181*

*study-guide-about-movie-the-core*

meetings. Can I get access to the answers for each discussion question? Yes. The answers for each discussion question are available for free online! In addition, we provide a

Scripture Reference sheet  
for each Bible passage to  
save valuable class time.  
In what formats is the  
book available? The book  
is available in both print  
and e-book formats.

However, print is most helpful when writing answers to discussion questions found in the book.
