## Subverting Aristotle Religion History And

Subverting Aristotle is the first to focus on the religious polemics accompanying the scientific controversies that led to the eventual demise of Aristotelian natural philosophy. Martin's thesis draws extensively on primary source material from England, France, Italy, Germany, and the Netherlands.

## Subverting Aristotle: Religion, History, and Philosophy in ...

While numerous scholars have written on the seventeenth-century downfall of Aristotelianism, almost all of those works have examined how the conceptual content of the new sciences—such as the heliocentric cosmology, atomism, mechanical and mathematical models, and experimentalism—were used to dismiss the views of Aristotle. Subverting Aristotle is the first to focus on the religious polemics accompanying the scientific controversies that led to the eventual demise of Aristotelian natural ...

## Subverting Aristotle | Johns Hopkins University Press Books

The cover of Craig Martin's *Subverting Aristotle: Religion, History, and Philosophy in Early Modern Science* hints at the surprises inside. A cross replaces the T and a ? stands for the N in the title, beneath which Aristotle's effigy is set upside down.
