Women are weak. Women are worthless. Women have no power unless politicians or activists grant it to them, unless they can effectively steal man's role, unless they bring others down to hoist themselves up. Those are the lies the modern-day feminist movement has repeated to society, again and again, from dramatically lit stages, supported by beams entitled "Pro-choice Movement," "Free Birth Control," "Abolition of Marriage," "Money before Families," "Gender Sameness," and "Misandry." Our media, politicians, pop culture, and educational system stand atop these stages. What they haven't told us is that women have held power since the beginning of time. Power runs in a woman's blood, her natural, feminine virtues inherently elect to uplift, create, and, through potential to succor the human race, change billions' lives for the best. The question is: will you conform to modern society's destructive expectations and crumple under feminist control or will you inspire a new movement to elevate fundamental womanhood and save the world?

The Discover 4 Yourself Bible Studies series for kids ages 9-12, combines a serious commitment to Bible study with fun and memorable games, puzzles, and activities to reinforce biblical truth. Each study is divided into daily lessons built around an in-depth, inductive study of a book or character of the Bible. Any young person who works through these studies will emerge with a richer appreciation of the Word of God and a deeper understanding of God's love and care for them. Joseph—God's Superhero teaches children an extraordinary truth: God chooses ordinary people to become his super heroes. In the first of three characters studies in the Discover 4 Yourself series, kids will watch Joseph as he grows through some pretty amazing struggles. What would it be like to be sold as a slave and shipped off to another country by your own brothers? Later, when Joseph, meets up with his betraying brothers, will he take revenge? When he's thrown into prison for something he didn't do, how will he handle the unfairness? When he's second only to Pharaoh as the ruler of Egypt, will success go to his head? Joseph had to deal with a life of ups and down, and God taught him how to handle them all. Now it's our turn to learn!

These pages are filled with simple pictures that toddlers and 2s recognize from their world. Children can scribble, color, or add texture and stickers to pictures. Kids often hear Sunday school lessons about Noah, Abraham, Moses, David, and Jesus. But what about Ehud, Deborah, Jonathan, and some of the other lesser-known but equally colorful heroes of the Bible? Popular children's author and illustrator Sandy Silverthorne uses hilarious drawings and modern-day settings to introduce kids to some of the everyday people God has used in amazing ways. Each story includes an age-appropriate devotional that ties a life lesson to the character and helps kids apply what they learn to their own lives. These tongue-in-cheek but historically accurate retellings will help readers (8 to 12 years old) discover some of the hidden gems in the Bible. Even "reluctant readers" will become immersed in these stories and enjoy watching the way God can turn anyone into a surprising and unusual hero in His plan to reach the world.

With danger (or shenanigans!) at the turn of every page, the fate of the Time Crashers is in your hands with this interactive choose-your-own-adventure book! Perfect for ages 8-12. 200 pages. A time machine, three friends, and a dad who is lost in the past. That's the Time Crashers Series. Loaded with humor, adventure, and mind-bending puzzles to solve, this popular 4-book kids fiction series sends you through an action-packed journey where you can learn to trust God for all your choices. In this epic choose-your-own-adventure, you get to decide the fate of Ethan, Jake, and Spencer! What should the guys do when faced with the American Civil War? YOU decide! Find out what happens with just the turn of a page! KA-WHOOM! A cannonball whistles past the boys and explodes nearby. In the newest installment of the Time Crashers series, the Time Crashers have landed in the Revolutionary War amidst a runaway observation balloon, an ironclad gunboat, and a Confederate submarine. Readers help the Time Crashers survive the raging battle as they meet Harriet Tubman, President Lincoln, and the brave soldiers of the 54th Regiment. With interactive fun built-in, you get to shape this time travel story. The choices you make either save or doom our heroes.

Inner city middle school student Kenny Wright imagines himself as a superhero-but when he faces peer pressure and bullying, can he find his strength in real life? Kenny Wright is a kid with a secret identity. In his mind, he's Stainlezz Steel, super-powered defender of the weak. In reality, he's a chess club devotee known as a "Grandma's Boy," a label that makes him an easy target for bullies. Kenny wants to bring a little more Steel to the real world, but the question is: can he recognize the real strength and goodness inside himself? Or will peer pressure force him to make the worst choice of his life? Interspersed with fantastic illustrations and comic-book panels, this book aims to both entertain and to provoke dialogue about identity, belonging, and doing the right thing.

What if you can leap tall buildings and defeat alien monsters with your bare hands, but you buy your capes at secondhand stores and have a weakness for kittens? Cartoonist Faith Erin Hicks brings charming humor to the trials and tribulations of a young female superhero, battling monsters both supernatural and mundane in an all-too-ordinary world. The expanded edition collects the original Eisner Award-winning comic, two new stories, and new art from creators including Tyler Crook, Ron Chan, Jake Wyatt, Paulina Ganucheau, and more! The first collection won an Eisner Award (Best Publication for Kids) and has gone through 4 printings "This charming modern vision of a Superhero Girl features a young woman living an uncertain life, unsure of the best way to contribute to society. It's superhero as person instead of as corporate symbol or fight machine. We see her struggling with relatable elements of daily life, like keeping her mother informed of how things are going or having to replace her cape after it shrunk in the laundry. One of the best strips has Superhero Girl explaining to a fan how she too can be a superhero without having a horrible tragedy in her past. This strip shines because it's fresh and lighthearted without wallowing in angst. Her arch-nemesis is a normal guy who keeps telling her she's doing it wrong. She struggles to balance her calling with a paying day job but keeps forgetting to take her mask off. Her annoying perfect brother Kevin shows her up, and she struggles with whether to stay hero or take the easier, villainous way to riches. The comic is perfectly suited to Hicks's expressive figures and energetic storytelling. The perfect laugh-filled tonic for heavier angst-filled superhero series." -Publishers Weekly "Have you ever wanted a superhero who lives in your world? If so, you will love Faith Erin Hicks' Eisner-award-winning story of a young woman who happens to be a superhero. " -YALSA The Hub

The Very Last Leaf

Comic superheroes embody the hopes of a world that is desperate for a savior. But those comic creations cannot save us from our greatest foes—sin and death. Throughout the history of the Church there have been bad ideas, misconceptions, and heretical presentations of Jesus. Each one of these heresies fails to present Jesus as the Bible reveals him. In Superheroes Can't Save You, Todd Miles demonstrates how these ancient heresies are embodied in contemporary comic superheroes. Miles compares something everybody already knows (who the superheroes are) with what they need to know (who Jesus is), in a book that makes vitally important Christian truths understandable and applicable to a wide audience.

Young adventurers can join the dynamic Bible detectives Max, Molly, and beagle Sam for the quest of a lifetime. The team continues the exciting exploration of the book of Revelation they started in Bible Prophecy for Kids and presents clever word studies and activities to unveil the amazing wonders of Revelation's chapters 8-22 including: how the ultimate victory takes place what kids today can know about new Jerusalem why the ending of the Bible is just the beginning ways to truly worship God what it takes to be a strong witness Fun stories and lots of action create a child-friendly study of end times ideal for Sunday school classes, Bible studies, and independent study. The exciting Discover 4 Yourself Inductive Bible Studies series invites children to solve great mysteries about God's Word using the inductive study method and the power of a fun story.

Often quoted by Chuck Swindoll, Charles Stanley, Billy Graham and other great preachers, A. W. Tozer's words are being heard and read by millions today words like: "Origin is a creature word... All things have an origin. But when you come back to God, you come back to the One who has not origin. He is the Cause of all things, the uncaused Cause. God is Transcendent." "You'll never find Him on your own... He is far away in one sense, but in another He is as near as your heartbeat, for the cross has brdigid the gulf." "If there is anything God could learn, it would mean that God didn't know it before. If he didn't know it

before, then He didn't know everything, He wouldn't be perfect, and if He isn't perfect then He isn't God." The chapters of this book were originally preached as sermons at Avenue Road Church in Toronto, ON. Whether spoken or written, Tozer's words were designed to "promote personal heart religion" among God's people.

In this joyful and impactful picture book, a transgender boy prepares for the first day of school and introduces himself to his family and friends for the first time. Calvin has always been a boy, even if the world sees him as a girl. He knows who he is in his heart and in his mind but he hasn't yet told his family. Finally, he can wait no longer: "I'm not a girl," he tells his family. "I'm a boy--a boy in my heart and in my brain." Quick to support him, his loving family takes Calvin shopping for the swim trunks he's always wanted and back-to-school clothes and a new haircut that helps him look and feel like the boy he's always known himself to be. As the first day of school approaches, he's nervous and the "what-ifs" gather up inside him. But as his friends and teachers rally around him and he tells them his name, all his "what-ifs" begin to melt away. Inspired by the authors' own transgender child and accompanied by warm and triumphant illustrations, this authentic and personal text promotes kindness and empathy, offering a poignant and inclusive back-to-school message: all should feel safe, respected, and welcomed.

Today, some Christians--as part of their own personal growth--and some churches--as part of their desire to reach the 'spiritual but not religious'--are adapting spiritual practices that have their roots in East Asian religions or in disciplines that emerge from New Age and New Spirituality. Other voices within the Church are wary of, and in some cases condemn, involvement with such practices. This book sifts through some of the most popular practices and asks whether or not they should really be considered off-limits for Christians or incompatible with the way of Jesus. Each chapter provides a brief history of the alternative practice in focus, followed by an assessment of its strengths and weaknesses within a Christian framework, and a case study of a church interacting with the practice. Taboo or To Do? includes a Foreword by John Drane.

naware that hunger, sickness and deprivation were awaiting him, a young idealist leaves the United States and embarks on a spiritual journey to West Africa. Repeatedly challenged by a world beyond his understanding and thrown into harsh, critical self-reflections, he is repulsed by the image of himself that Africa forces him to confront. Road of Ash and Dust: Awakening of a Soul in Africa is a deeply intimate and, somewhat, voyeuristic unveiling of aspects of The African-American Experience rarely committed to print. ROAD allows you access to one of the most universal rites of passage, the discovery of self. Author E.L. Cyr's channels voices from a distant and muted past, guiding us into understanding that many of the answers to our most troubling questions do, truly, come from within.

Lance Cottonwood is the best and brightest of the leaves, but even the top students on the tree have worries. Can Lance conquer his fear of falling and just let go when the time comes for his final exam, or will he let his worries take over? In this funny and encouraging picture book, best-selling author Stef Wade (A Place for Pluto) tells an engaging story and deftly addresses social and emotional struggles many kids encounter each day...feeling anxious, wanting to be perfect, facing fears, etc. These themes combined with illustrator Jennifer Davison's delightful characters and rich autumnal colors make The Very Last Leaf a perfect book for the start of a new school year, the arrival of autumn, or any period of transition in life.

The seventh edition of this popular book supports the authors' belief that guidance is more than getting children to do what you want them to do now; it is helping them to become everything they can become for all of their tomorrows. The book provides an overview, followed by discussion of core concepts, strategies for applying those concepts, and, finally, the broader perspective of professionalism and human resource development. Its approach focuses on the need to consider a child's developmental level as well as family and cultural context when planning environments and activities for young children. Unlike others in the field, it offers concrete suggestions on how to guide children while they are involved in specific activities such as playing, eating, napping, etc. For teachers and parents of young children.

Sometimes what you were taught to believe as a child and what you begin to believe as an adult clash and make the journey much more interesting. Follow Cecily Alexandria as she explores her own life as a conservative Christian and the evolution she makes as she enters her 30s and considers sex, compassion, and love as options outside of her traditional conservative understanding. Uh oh, she likes to use those cuss words ladies shouldn't use.

An upbeat, empowering, important picture book from the team that created the award-winning Crown: An Ode to the Fresh Cut. A perfect gift for any special occasion! I am a nonstop ball of energy. Powerful and full of light. I am a go-getter. A difference maker. A leader. The confident Black narrator of this book is proud of everything that makes him who he is. He's got big plans, and no doubt he'll see them through--as he's creative, adventurous, smart, funny, and a good friend. Sometimes he falls, but he always gets back up. And other times he's afraid, because he's so often misunderstood and called what he is not. So slow down and really look and listen, when somebody tells you--and shows you--who they are. There are superheroes in our midst!

In The FRESH Classroom: Why Culturally Relevant Education Can't Wait!, Dr. Stephanie Boyce shares personal stories to help educators unpack opportunities for applying culturally relevant education in their classrooms. For decades, traditional medicine had very little to offer for individuals suffering from multiple sclerosis and other autoimmune diseases. Today, medical science has brought us wave upon wave of immunomodulatory medications to try to slow disease progression. Unfortunately, these medications come with their own health- and life-threatening side effects. And sometimes, they just stop working. "Fighting the Dragon: How I Beat Multiple Sclerosis" is the story of one woman's thirty year battle with multiple sclerosis and what she did to reclaim her life when she realized she would need an assisted living facility within a few years. The book contains detailed descriptions of what worked and what did not, where she got the help she needed (and how the reader can locate these resources within his/her own community), and the logic behind the non-conventional therapies.

"Fighting the Dragon" is a narrative of courage--courage driven by desperation, a story written by a patient who decided, when her neurologist told her, "You will never walk normally again," that she would dance. "Fighting the Dragon" is also a book the MS patient can take to his/her physician . . . it contains well-researched, easy-to-follow guidelines for what to do and how. The information is also applicable to a wide range of other autoimmune conditions, cancers, and AIDS. * * * * * Excerpt: . . . if your car kept breaking down and the mechanic you took it to kept doing the same thing to fix it--but it did not stay fixed, you would question the mechanic's competence. Maybe the mechanic pulled out a technical manual. "See. I fixed it exactly as the manual said. This is the industry-approved way to solve this problem." When the car broke down again a week later, would you be satisfied? Probably not. You might decide it is time to replace the car. But that might be too expensive. So, what to do? If you were smart, you would probably try to find a new mechanic. You might ask your friends who they would recommend. You might search on the Internet to see if other people had the same experience with their cars . . . and what caused the problem. You might telephone some repair shops to get some idea of what they thought the problem might be. If you found a new mechanic and that mechanic looked over the car and said, "I have a solution that is not in any industry-approved repair manuals, but it is safe and it works,"--would you walk away and go back to the first mechanic who never got it right? Why is your health worth any less than your car?
