This book focuses on the distinct but tightly inter-related areas of development for distributed sensing systems In this book, the authors discuss the technological developments lead by sensor technology, addressing viable new applications to inspire a technological evolution. Under the advanced and visionary approach of distributed intelligence, the authors focus on three distinct but tightly inter-related areas of developments for distributed sensing systems (DSS): firstly, the sensor technology embracing the conversion of the phenomena of interest into desirable form of signal such as electric, secondly, the interaction process between sensing points which requires immense intelligence loosely called networking, and finally, the adoption of useful maturing systems through potential applications for right impacts for a better life and a brighter economy. Furthermore, the book contains a number of case studies and typical applications illustrating the technical details, features and functions of the systems, as well as demonstrating their benefits and limitations. Key Features: Discusses the technological developments lead by sensor technology Addresses viable new applications Contains a number of case studies and typical applications illustrating the technical details, features and functions of the systems Demonstrates the benefits and limitations of distributed sensing Written by experts with vast experience in the field (both in academia and industry) This book will be an invaluable reference for postgraduates studying related courses (communication engineering, engineering management, computer systems, industrial process, automation, design, environmental, urban, surveillance), R&D engineers, system and application designers, researchers, industrial project managers and engineers, and technical and strategic managers planning new products.

Medium Lined Journaling Notebook, Easter Eggs Eggs and Butterflies Pattern Cover, 6x9 , 130 Pages

Easter Eggs Journal - A 6x9" Size Journaling Notebook. Lined pages with medium ruled line spacing for easy writing. 130 writable pages. Lined pages without illustrations offering you maximum space to write. Why Write? Writing with pen and paper helps to boost creativity. Helps to improve your memory. Helps to structure your thoughts. Writing on paper is just as important now as it was 10, 20, 50 years ago. Maybe even more. Online media offer many distractions. It's so easy to quickly click or swipe. You might almost forget to just sit down and write down your thoughts, your list of things, draw or doodle whatever is on your mind. Many people talk about mindfulness, conscious living, but getting this notebook and taking time to write or draw helps to get some rest, to get grounded, to pace yourself. Creativity and Inspiration Writing by hand will increase your creativity. It helps you focus your energy and support your flow. Whether you are structuring strategic plans, organising your day, writing your next book, or jotting down your thoughts as a reminder, writing it down makes your creative juices flow. More and better ideas. Quicker and easier. Organising and Memorising Writing down your goals, actions and achievements helps to accomplish more, and to feel proud and successful of what you have achieved. Feeling better. Besides, it has been scientifically proved that writing things down will increase your memory. Last but not least, writing down your experiences and reflections will help to process and manage emotions, and support self-improvement. (We suspect one journal will not be enough, for all the things you can do with pen and paper). A perfect gift and unique present Our Journals and Notebooks are great gifts presents for ladies, women, mom, mother, aunt, sister, girlfriend, teacher, valentine's day, christmas, or on any other occasion. And don't forget mother's day, graduation gifts, co-workers or boss, birthdays, gift baskets or stocking stuffers, your hostess. Or just for yourself, as a daily journal, travel journal, doodle diary, school workbook, grocery lists, to collect poems or recipes, writing stories. And so much more...

Haynes has discovered all the problems that motorcycle owners could possibly encounter when rebuilding or repairing their bikes. WHAT THE REVIEWERS AND READERS SAY: (The following reviews are from the Barnes and Noble and Amazon sites) The Night Boy is really good Pulp Fiction, November 15, 2004 FOUR out of FIVE Stars Reviewer: Laslow Jordan (United Kingdom) Finally some real pulp fiction and it's good too. Preddy doesn't try to articulate every thought of every character like so many writers do; instead he leaves some space for the readers' imaginations. The Night Boy's rapid pacing is as visual and as exciting as a good movie. The best one-night stand I've had in years! The Night Boy is a real page burner, November 15, 2004 FIVE out of FIVE Stars Reviewer: Jay Michaels (California) - I read a lot of thrillers but I had to read The Night Boy twice as Preddy conjures up some clever misdirection, some just a word, that turn on a dime. It's funny too. In fact I found some of the humorous passages, like "you can't get pregnant from spit", creeping into my thoughts days later. The Night Boy is a real page burner that sticks with you like mashed potatoes! The Night Boy has something for everyone! FIVE out of FIVE Stars Reviewer: Carl Connors@New Book Tattler, November 19, 2004, The Night Boy is a novella with a big bang. From the intriguing first line to the bold final scene this fresh tale has something for everyone. Sheryn is the personification of insecurity, vanity, and self-absorption; her sidekick is a witty guy hiding a dark side of his own. The two good cops are horny for each other in a sweet way, but end up breaking the rules, and the heroine is a psychopath with a big secret. Preddy's perpetrator, the Night Boy, is a deliberate, cunning killer and something more. If viewed from the inside out Preddy may be using the Night Boy character as a metaphor for the darkness, the Night, which lives in everyone. Or maybe not. The premise is now and unique and the language is active and fresh. The Night Boy is an excellent first book for Preddy and worth every penny. Night Boy has arrived FOUR out of FIVE Stars Reviewer: Weston Allred, a journalist, November 12, 2004, The Night Boy is a subsonic thriller that's quite humorous too if you can believe it. Preddy pokes fun at pathetic obsession, convenient love, and romantic expectations all the while serving up a tidy thriller. The ending is a real pisser. The Night Boy rips and I want more! Great Pulp Fiction FIVE out of FIVE Stars Reviewer: Frank Long, @ebookcritique November 12, 2004, The cover says that it is a 'tight thriller bathed in sarcastic social commentary and sly dark humor', what it is is a modern and warped social commentary and dark humor wrapped in a sick and slick thriller! Excellent language, some pretty gritty, and scenarios. Preddy delivers.

Ten essays discuss federal democracy, the form of government of the United States. The first essay discusses the origins of American federalism. The second examines why we have a federal system, the functions federalism serves, and the consequences of federalism for the American political system. Federalism in the Constitution and constitutional law are treated in the third essay. The importance of cultural pluralism in American life and the role of American federalism in supporting pluralism are the foci of the fourth essay. The roles that the local community, the states, and political parties play in the federal system are examined in essays 5, 6, and 7, respectively. State, local, and professional roles in citizenship education are discussed in the eighth essay. The ninth essay explores how high school U.S. history and government textbooks approach federalism. The concluding essay describes resources on federalism that can be used in curriculum development at the secondary and college levels. Many of the essays are followed by topics for further study and suggested readings for teachers. (RM)
