

Sweet Possession Addiction 2 J Daniels

The cats of America are under siege! Long gone are the good old days when a cat’s biggest worries were mean dogs or a bath. Modern cats must confront satanists, online predators, the possibility of needing to survive in a post-apocalyptic wasteland, and countless other threats to their nine lives. For over four decades, the American Association of Patriots have stood at the vanguard of our country's defense by helping to prepare our nation's cat owners for the difficult conversations they dread having with their pets. Written in a simple Q&A format, How to Talk to Your Cat About Gun Safety answers crucial questions such as, “What is the right age to talk to my cat about the proper use of firearms?” and “What are the benefits of my cat living a lifestyle of abstinence?” and especially “Why does my cat need to use the internet? Can't he just play with yarn like cats used to do?” Our country—and our cats—stand at a precipice. It will take courage, and it will take hard work, but armed with the knowledge within these pages, we can make our cats—and America—great again!

FROM NEW YORK TIMES BESTSELLING AUTHOR OF THE BREATHELESS TRILOGY MAYA BANKS He awakened a need within her. Cole is successful beyond his dreams. He can have any woman he wants, but there’s only one he can’t stop thinking about: his childhood sweetheart, Renita. He’s never forgotten his first taste of innocent love and the desire that consumed them—or the pain he brought upon her. . . . But now she belongs to another. . . . Her long-ago brush with submission awakened a longing in Ren that drove her to walk the darker edge of desire. She has become a beautiful woman at ease with her sexuality and unapologetic about her need for a dominant man. When Cole finds her again, he’s gutted that she belongs to another. Ren’s current master agrees to give her to Cole for a short time, but then she must return to his keeping. And though Cole agrees to this bargain, he knows he will never be able to let Ren go again. . . .

From NY Times and USA Today Bestselling author, J. Daniels Wedding hookups never amount to anything. Those who partake in this wicked little activity know the rules. Get in. Get laid. Get out. There's no expectation of a relationship. It is what it is. Dylan Sparks knows the rules. She's familiar with the protocol. And she engages in the best sex of her life with a complete stranger at her ex-boyfriend's wedding. Reese Carroll doesn't care about the rules. He wants more than just one night with Dylan. And Dylan finds him too addicting to pass up. Sweet Addiction is the story of one woman's struggle to keep things casual, and one man's desire to never let her go. ***Warning: This book contains adult themes. 18+

FROM NEW YORK TIMES BESTSELLING AUTHOR OF THE BREATHELESS TRILOGY MAYA BANKS He was the stuff erotic dreams are made of... Salon owner Julie Stanford wanted Nathan Tucker ever since she gave him his first massage. Getting paid to feel every inch of his body, stripped, oiled, and spread out in front of her...the stuff dreams are made of. But the sexy guy was oblivious to the signals she was sending—until she finished off his final rub-down with something extra. In fact, the best extra he ever had. Unfortunately, he came around too late. Now Julie's moving on. She was everything he'd dreamed of... The woman was driving him crazy. She lit fire to his insides, then ran like a scalded cat. And now she's going to someone else to have all her fantasies fulfilled? Over his dead body. He's more than willing to give her what she wants, and as soon

as he pins the little minx down, he'll show her his own brand of sweet seduction.

Marijuana As Medicine?

Alabama Summer Series

Pure, White, and Deadly

More than 40 years before Gary Taubes published The Case Against Sugar, John Yudkin published his now-classic expos é on the dangers of sugar—reissued here with a new introduction by Robert H. Lustig, the bestselling author of Fat Chance. Scientist John Yudkin was the first to sound the alarm about the excess of sugar in the diet of modern Americans. His classic expos é , Pure, White, and Deadly, clearly and engagingly describes how sugar is damaging our bodies, why we eat so much of it, and what we can do to stop. He explores the ins and out of sugar, from the different types—is brown sugar really better than white?—to how it is hidden inside our everyday foods, and how it is harming our health. In 1972, Yudkin was mostly ignored by the health industry and media, but the events of the last forty years have proven him spectacularly right. Yudkin ’ s insights are even more important and relevant now, with today ’ s record levels of obesity, than when they were first published. Brought up-to-date by childhood obesity expert Dr. Robert H. Lustig, this emphatic treatise on the hidden dangers of sugar is essential reading for anyone concerned about their health, the health of their children, and the wellbeing of modern society.

This book contains powerful warfare prayers and decrees taken from Scripture that will break the powers of darkness and release the blessings and favor of God.

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

From New York Times bestselling author, J. Daniels, comes a sexy new STANDALONE novel. Riley Tennyson has made a huge mistake. At least, that ’ s what she keeps telling herself. Showing up to her brother ’ s wedding pissed off and newly single, Riley seeks comfort in solitude and an open bar, until the gorgeous and irresistibly charming CJ Tully makes her a better offer—a wild night with the master of smooth-talking where nothing is off limits. Riley does what any single woman would do, and a connection is made. One neither one of them can ignore. But when she comes home to the boyfriend she no longer thought she had, Riley buries her secret and begs CJ to do the same. Forget about each other. It was a mistake. That ’ s all it was... right? Desires are hidden. Distance is kept. Until one night CJ makes the ultimate sacrifice, and Riley can no longer avoid the man she can ’ t stop thinking about. Not with him sleeping down the hall...

Four Letter Word

Reflections on Sacred Drugs, Mysticism, and Science

Demonic possession was a spiritual state that often had physical symptoms; however, in Demonic Possession and Lived Religion in Later Medieval Europe, Sari Katajala-Peltomaa argues that demonic possession was a social phenomenon which should be understood with regard to the community and culture. She focuses on significant case studies from canonization processes (c. 1240-1450) which show how each set of sources formed its own specific context, in which demonic presence derived from different motivations, reasonings, and methods of categorization. The chosen perspective is that of lived religion, which is both a thematic approach and a methodology: a focus on rituals, symbols, and gestures, as well as sensitivity to nuances and careful contextualizing of the cases are constitutive elements of the argumentation. The analysis contests the hierarchy between the 'learned' and the 'popular' within religion, as well as the existence of a strict polarity between individual and collective religious participation. Demonic presence disclosed negotiations over authority and agency; it shows how the personal affected the communal, and vice versa, and how they were eventually transformed into discourses and institutions of the Church; that is, definitions of the miraculous and the diabolical. Geographically, the volume covers Western Europe, comparing Northern and Southern material and customs. The structure follows the logic of the phenomenon, beginning with the background reasons offered as a cause of demonic possession, continuing with communities' responses and emotions, including construction of sacred caregiving methods. Finally, the ways in which demonic presence contributed to wider societal debates in the fields of politics and spirituality are discussed. Alterity and inversion of identity, gender, and various forms of corporeality and the interplay between the sacred and diabolical are themes that run all through the volume.

Fighting to rebuild her life after shattering losses, Auburn Reed is unexpectedly attracted to an enigmatic artist only to discover that the object of her affections is hiding threatening secrets from his past. By the #1 New York Times best-selling author of Slammed. Original.

A dark romance from USA Today bestselling author Julia Sykes I don't like to be touched. I'm the hacker-geek-goddess of the FBI. When I'm hiding behind my screen, I'm a safe distance from everyone; isolated, powerful. No man has ever touched me, but when I'm captured by Colombian drug lord Andrés Moreno, I no longer have the right to refuse. He's scarred and scary, and his cruel brother Cristian has tasked him with breaking me. I try to fight, but I can't escape his strong arms and harsh discipline. He demands that I accept his touch, and my virgin body can't help but respond to his masterful manipulations. The longer I remain trapped with him, the more I come to suspect that I'm not the only captive in his brother's home. Andrés' scars go deeper than the wicked furrows carved into his flesh, his pain reflected in the dark demands he imposes upon me. His obsession is twisted and wrong, but maybe I'm twisted, too. Do I want to be rescued from him? Or is he the one who truly needs saving? Keywords: dark romance, capture fantasy, antihero, kidnapping, romantic suspense, standalone

Theodore Kaczynski saw violent collapse as the only way to bring down the techno-industrial system, and in more than a decade of mail bomb terror he killed three people and injured 23 others. One does not need to support the actions that landed Kaczynski in supermax prison to see the value of his essays disabusing the notion of heroic technology while revealing the manner in which it is destroying the planet. For the first time, readers will have an uncensored personal account of his anti-technology philosophy, including a corrected version of the notorious "Unabomber Manifesto,"Kaczynski, s critique of anarcho-primitivism, and essays regarding "the Coming Revolution."

All We Want

From bestselling author Gabor Mat é , the essential resource for understanding the roots and behaviors of addiction--now with an added introduction by the author. Based on Gabor Mat é ’ s two decades of experience as a medical doctor and his groundbreaking work with the severely addicted on Vancouver ’ s skid row, In the Realm of Hungry Ghosts radically reenvisions this much misunderstood field by taking a holistic approach.

Dr. Mat é presents addiction not as a discrete phenomenon confined to an unfortunate or weak-willed few, but as a continuum that runs throughout (and perhaps underpins) our society; not a medical "condition" distinct from the lives it affects, rather the result of a complex interplay among personal history, emotional, and neurological development, brain chemistry, and the drugs (and behaviors) of addiction. Simplifying a wide array of brain and addiction research findings from around the globe, the book avoids glib self-help remedies, instead promoting a thorough and compassionate self-understanding as the first key to healing and wellness. In the Realm of Hungry Ghosts argues persuasively against contemporary health, social, and criminal justice policies toward addiction and those impacted by it. The mix of personal stories—including the author ’ s candid discussion of his own "high-status" addictive tendencies—and science with positive solutions makes the book equally useful for lay readers and professionals.

We live in an age of addiction, from compulsive gaming and shopping to binge eating and opioid abuse. What can we do to resist temptations that insidiously and deliberately rewire our brains? Nothing, David Courtwright says, unless we understand the global enterprises whose “limbic capitalism” creates and caters to our bad habits.

Some people suffer from chronic, debilitating disorders for which no conventional treatment brings relief. Can marijuana ease their symptoms? Would it be breaking the law to turn to marijuana as a medication? There are few sources of objective, scientifically sound advice for people in this situation. Most books about marijuana and medicine attempt to promote the views of advocates or opponents. To fill the gap between these extremes, authors Alison Mack and Janet Joy have extracted critical findings from a recent Institute of Medicine study on this important issue, interpreting them for a general audience. Marijuana As Medicine? provides patients à €"as well as the people who care for them à €"with a foundation for making decisions about their own health care. This empowering volume examines several key points, including: Whether marijuana can relieve a variety of symptoms, including pain, muscle spasticity, nausea, and appetite loss. The dangers of smoking marijuana, as well as the effects of its active chemical components on the immune system and on psychological health. The potential use of marijuana-based medications on symptoms of AIDS, cancer, multiple sclerosis, and several other specific disorders, in comparison with existing treatments. Marijuana As Medicine? introduces readers to the active compounds in marijuana. These include the principal ingredient in Marinol, a legal medication. The authors also discuss the prospects for developing other drugs derived from marijuana's active ingredients. In addition to providing an up-to-date review of the science behind the medical marijuana debate, Mack and Joy also answer common questions about the legal status of marijuana, explaining the conflict between state and federal law regarding its medical use. Intended primarily as an aid to patients and caregivers, this book objectively presents critical information so that it can be used to make responsible health care decisions. Marijuana As Medicine? will also be a valuable resource for policymakers, health care providers, patient counselors, medical faculty and students à €"in short, anyone who wants to learn more about this important issue.

A passionate and enthralling college romance. Two damaged souls on a path to obliteration. When they collide, will they heal each other, or are they damaged beyond repair? What's worse than losing someone you love? Blaming yourself for their death. Two years after a devastating accident, Calla is still full of guilt. But beyond the blame, other demons are prowling. Post-traumatic stress disorder. Poor grades. Insomnia. Estrangement. Calla is hopeful for a fresh start. A new beginning. She's in for an inscrutable surprise when her path collides with Ace's.Ace is an asshole-there's no denying that. He's rude, arrogant, and impulsive. A magnetic force comes out to play, hurling Calla into Ace at full speed without brakes to decelerate. And there's no fighting fate, no matter how cruel or unfair it seems. Soon, Calla is addicted. Addicted to Ace-addicted to the elation he makes her feel. And she realizes that perhaps, they aren't so different after all. However, secrets are deeply entrenched and woven through their souls. When they finally unveil, will Calla be able to look past them, or will everything shatter beneath her?

The Art Of Seduction

A New York Times bestselling enemies to lovers STANDALONE romance. When Mia Corelli returns to Alabama for a summer of fun with her childhood best friend, Tessa, there's only one thing keeping her on edge.

From New York Times bestselling author, J. Daniels, comes a sexy new STANDALONE novel that does NOT need to be read in conjunction with any other book. Everyone knows Brooke Wicks loves to have a good time. She's not interested in getting serious, settling down, or limiting herself to one man. So when she meets the sexy, irresistible Mason King, she sees another opportunity to let loose and go wild. But the gorgeous Aussie isn't interested in just a quick fling with Brooke, and if she wants to get into his bed, she's going to have to do it on his terms. Loving fast and hard has always been Mason's philosophy. He doesn't want a meaningless connection, he wants it all, and he wants it with Brooke. When she makes her one desire known-to hit it and quit it-Mason wages a plan to ensure Brooke keeps coming back for more. Or so he hopes. Getting her attention was the easy part. Keeping it might be damn near impossible. Sweet Obsession is where the Sweet Addiction series meets the Alabama Summer series.

FROM NEW YORK TIMES BESTSELLING AUTHOR OF THE BREATHELESS TRILOGY MAYA BANKS The man of her dreams would give the orders. For him, she had two words that satisfied them both..."Take me." For five years, Serena has run Fantasy Incorporated and has devoted her time to fulfilling her clients' fantasies. Never her own. Until now... Her most secret desire is to give ownership of her body to a man. Someone who will command her, pleasure her, and have complete authority over her. So she seeks out Damon Roche, owner of an exclusive sex club and a man strong enough to make her do anything he wants. Anything. Together they'll journey into a world she's only dreamed of. She's given the opportunity to immerse herself in a different life while her normal one waits for her to return whenever she wishes. Damon has no desire to let her go, however. Serena is the woman he's long searched for, and it's up to him to convince her to stay when the game is all over with. He wants their fantasy to become their reality and for Serena to remain his pampered, cherished submissive.

The New York Times bestselling Alabama Summer series continues in this sixth installment. Luke and Tessa Evans are solid.

This book has been replaced by Introduction to Addictive Behaviors, Fifth Edition, ISBN 978-1-4625-3922-2.

Young adulthood - ages approximately 18 to 26 - is a critical period of development with long-lasting implications for a person's economic security, health and well-being. Young adults are key contributors to the nation's workforce and military services and, since many are parents, to the healthy development of the next generation. Although 'millennials' have received attention in the popular media in recent years, young adults are too rarely treated as a distinct population in policy, programs, and research. Instead, they are often grouped with adolescents or, more often, with all adults. Currently, the nation is experiencing economic restructuring, widening inequality, a rapidly rising ratio of older adults, and an increasingly diverse population. The possible transformative effects of these features make focus on young adults especially important.

A systematic approach to understanding and responding to the unique circumstances and needs of today's young adults can help to pave the way to a more productive and equitable tomorrow for young adults in particular and our society at large. Investing in The Health and Well-Being of Young Adults describes what is meant by the term young adulthood, who young adults are, what they are doing, and what they need. This study recommends actions that nonprofit programs and federal, state, and local agencies can take to help young adults make a successful transition from adolescence to adulthood. According to this report, young adults should be considered as a separate group from adolescents and older adults. Investing in The Health and Well-Being of Young Adults makes the case that increased efforts to improve high school and college graduate rates and education and workforce development systems that are more closely tied to high-demand economic sectors will help this age group achieve greater opportunity and success. The report also discusses the health status of young adults and makes recommendations to develop evidence-based practices for young adults for medical and behavioral health, including preventions. What happens during the young adult years has profound implications for the rest of the life course, and the stability and progress of society at large depends on how any cohort of young adults fares as a whole. Investing in The Health and Well-Being of Young Adults will provide a roadmap to improving outcomes for this age group as they transition from adolescence to adulthood.

The basic text for Alcoholics Anonymous.

FROM NEW YORK TIMES BESTSELLING AUTHOR OF THE BREATHELESS TRILOGY MAYA BANKS He was a by-the-book cop who broke the rules in the bedroom... Micah Hudson has painful secrets he's run hard from. He has new friends, a new life, but he's about to be confronted with the one person who reminds him of all he's tried to forget--Angelina, the sister of his oldest friend David. She knows

everything about his past, including how he and David fell in love with the same woman, and how they decided the best way to prevent her from tearing them apart was to share her between them. But then a terrible accident left Micah alone... She was willing to do anything to make him see the woman she'd become... Micah lost the two people who meant the most in the world to him. Angelina lost her only family. And she kept her deepest secret close to her heart. Her love for Micah. No longer willing to wait, she decides it's time to go after him and bring him to his knees. She knows his secrets, his desires, his kinks and fetishes, and she'll use whatever it takes to reel him in. Behind the easygoing, loves women exterior lies a man with dark needs and passions. She can give him what he wants. But will he decide she's what he needs?

Between the World and Me

Introduction to Addictive Behaviors, Fourth Edition

Confess

How Bad Habits Became Big Business

The Science Beyond the Controversy

There is an epidemic of insecurity in society today. Many people suffer from an unhealthy need for affirmation. They are not capable of feeling good about themselves. For some the quest for approval becomes an actual addiction, as they seek self-worth from the outside world because they can't find it within themselves. Joyce Meyer understands the need for seeking approval from others to overcome feelings of rejection and low self-esteem. The good news, she says, is that there is a cure. God provides all the security anyone needs. Her goal is to provide a pathway toward freedom from the approval addiction.

Bierce exploits the comic potential of the dictionary format to mock the doublespeak prominent in post-Civil War politics. Using short, pithy entries on a variety of subjects, this "reference book" inverts the meaning of words, skewers popular hypocrisy and showcases Bierce's dark humor. Many of these entries began as newspaper columns Bierce wrote in the 1870s. One hundred years later, it is clear that the America he lampoons is not that different from our own.

A leading expert on drug use illuminates the factors that permit some people to use such highly addictive and dangerous substances as alcohol, marijuana, psychedelics, and opiates in a controlled fashion. This cogently written work should be of interest to members of the medical community, particularly those who have contact with substance abusers, psychiatrists, sociologists, policymakers, administrators, and interested laypersons...Well worth reading. -- JAMA

A virgin "ice queen" heiress & the arrogant god who wants to melt her... Rose Calloway thought she had everything under control. At twenty-three, she's a Princeton graduate, an Academic Bowl champion, a fashion designer and the daughter of a Fortune 500 mogul. But not everything comes easy. When Rose's fashion line is in peril, she plans an unconventional solution to save it. Making matters more intense, she agrees to be in a relationship with her "godly" college rival, Connor Cobalt. At twenty-four, Connor Cobalt bulldozes weak men. Confident and smart-as-hell, Connor vows to help Rose outside of the bedroom and inside. But melting this ice queen is a challenge no one has been able to succeed at. And now they're living together.

Americans have built an empire on the idea of “ race,” a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates ’ s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children ’ s lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

#1 New York Times bestselling author J. R. Ward explores what really happens when good and evil toy with humanity in her new novel of the Fallen Angels.... When Cait Douglass resolves to get over her broken heart and lose her inhibitions, she ’ s unprepared for the two sensual men who cross her path. Torn between them, she doesn ’ t know which to choose—or what kind of dire consequences could follow. Jim Heron, fallen angel and reluctant savior, is ahead in the war, but he puts everything at risk when he seeks to make a deal with the devil—literally. As yet another soul is unwittingly caught in the battle between him and the demon Devina, his fixation on an innocent trapped in Hell threatens to sidetrack him from his sacred duty.... Can good still prevail if true love makes a savior weak? And will a woman ’ s future be the key, or the curse, for all of humanity? Only time, and hearts, will tell.

I had a chance, once, to play the good girl. I could've kept my mouth shut and stayed out of the line of fire. Had I done that, more people might've been hurt. So, I came forward and subsequently, I lost everything I'd ever loved. I lost my family. I lost my home.I lost my identity. I lost ... them. But now they're back. At least, I think they are. I can feel their eyes watching my every movement, stalking me. They aren't here to threaten me or to hurt me. They're here to protect me. To watch over me. Because to them, I'm everything they desire. I am their love.I am their hate.I am their infatuation. Their sweet possession. How long can they stand to stay in the shadows when a new danger threatens to tear us apart again?

A Path Forward

For the first time together in one collection, get the sexy and hilariously funny Sweet Addiction series by New York Times bestseller, J. Daniels. Satisfy all your cravings... SWEET ADDICTION: Wedding hookups never amount to anything. Those who partake in this wicked little activity know the rules. Get in. Get laid. Get out. There's no expectation of a relationship. It is what it is. Dylan Sparks knows the rules. She ’ s familiar with the protocol. And she engages in the best sex of her life with a complete stranger at her ex-boyfriend ’ s wedding. Reese Carroll doesn ’ t care about the rules. He wants more than just one night with Dylan. And Dylan finds him too addicting to pass up. Sweet Addiction is the story of one woman ’ s struggle to keep things casual, and one man ’ s desire to never let her go. SWEET POSSESSION: A sassy, in-your-face baker. A party-stealing, dirty-talking accountant. And a bathroom quickie that changed their lives forever. Wedding hookups never amount to anything. Unless that hookup knocks you on your ass. For Dylan Sparks and Reese Carroll, the big day can ’ t arrive soon enough. Dylan, stressed to the max from overbearing mothers and last minute preparations, struggles to keep her sanity. As for Reese, he ’ s fighting to not only keep his bride-to-be safe from creepy investors, but also to make it to the actual wedding day without losing his mind in the process. Throw in a crazy group of friends, and a bachelor/bachelorette party weekend getaway, and you have a recipe for the sweetest wedding of the year. Reese Carroll and Dylan Sparks cordially invite you to read Sweet Possession. SWEET OBSESSION: Everyone knows Brooke Wicks loves to have a good time. She ’ s not interested in getting serious, settling down, or limiting herself to one man. So when she meets the sexy, irresistible Mason King, she sees another opportunity to let loose and go wild. But the gorgeous Aussie isn ’ t interested in just a quick fling with Brooke, and if she wants to get into his bed, she ’ s going to have to do it on his terms. Loving fast and hard has always been Mason ’ s philosophy. He doesn ’ t want a meaningless connection, he wants it all, and he wants it with Brooke. When she makes her one desire known—to hit it and quit it—Mason wages a plan to ensure Brooke keeps coming back for more. Or so he hopes. Getting her attention was the easy part. Keeping it might be damn near impossible. Sweet Obsession is where the Sweet Addiction series meets the Alabama Summer series.

The New York Times bestselling author of the *Driven* series turns up the heat when a sexy bet turns into so much more.... Hawkin Play, the bad boy rock star with a good guy heart, has lived a lifetime of cleaning up after his twin brother's mistakes. Hunter's most recent screwup could land Hawke in jail and risk the band's future. Hawke agrees to guest lecture at a local college to stay in the judge's good graces--and a bet with his bandmate to seduce his sexy teaching assistant is icing on the cake. Quinlan Westin is harder to bed than Hawke imagined. She knows his type and is determined to avoid the rocker at all costs--even if their attraction runs deeper than simple lust. Just as Hawke might finally be winning over the girl, his brother has other plans. When Hunter realizes his twin finally has a weakness, he'll stop at nothing to take advantage....

This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann. He traces LSDs path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition.We follow Dr. Hofmanns trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery.Underlying it all is Dr.

Hofmanns powerful conclusion that mystical experience may be our planets best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people.Now, more than sixty years after the birth of Albert Hofmanns problem child, his vision of its true potential is more relevant, and more needed, than ever.
