

Tales Of Ordinary Madness

~~Storie di ordinaria follia (1981) - IMDb~~

This collection of stories was once part of the 1972 City Lights classic, Erections, Ejaculations, Exhibitions and General Tales of Ordinary Madness. That book was later split into two volumes and republished: The Most Beautiful Woman in Town and, this book, Tales of Ordinary Madness. With Bukowski, the votes are still coming in.

Charles Serking, loosely based on the infamous

poet Charles Bukowski, rejects a conventional lifestyle to journey through the underbelly of Los Angeles in "Tales of Ordinary Madness." He indulges an insatiable appetite for sex and booze in what the Hollywood Reporter calls "a cinematic walk on the wild side."
