## Teachers As Cultural Workers: Letters To Those Who Dare

...

The essays in this collection, presented as letters to teachers, reaffirm Paulo Freire's place as the most significant educator in the world during the last half of the 20th century. As North America experiences a rapid change to conditions approximating those of the Third World, Freire's pedagogy becomes more important, not only for his methods of reading instruction but for the ways in which they can develop students' ability to be aware of themselves in the world and in their cultures.
