The Accidental Superpower: The Next Generation of American ...

Geopolitics, the influence of geography on nations, made the United States great and will keep it there, writes the author of this ingenious, optimistic overview of America ’ s superpower status. Zeihan,

founder of Zeihan on Geopolitics, adds that America hit the jackpot, geopolitically speaking ...

THE ACCIDENTAL SUPERPOWER by Peter Zeihan | Kirkus Reviews

The Accidental Superpower is one of the most interesting books I have read dealing with geopolitics in a long time and even if it turns out entirely wrong provides plenty of food for thought. I recommend this book for anyone interested in geopolitics or the way in which geography and population has shaped history and the forms and identities of nations.
