

The Art Of Commenting How To Influence Environmental Decisionmaking With Effective Comments Environmental Law

1. Discuss what a comment is and what makes a good one. Give examples showing the difference between a question and a comment: A question asks something about a sharer's news (When will you be walking your puppy on a leash?); a comment says something (You sound a little nervous about taking care of the puppy). Explain that good comments:

Blog commenting is also a great way to make your name recognizable by many other bloggers across the word. You get popularity and your website gets it too. Again, if your comment is valuable, the chances of getting popular among other bloggers are more. More comments on your blog. If you take time to write valuable comments on other blogs, then you will receive valuable comments in your own blog (if you have one).

~~The Art of Blog Commenting - Fast Blog Finder~~

The art of posting comments that get noticed is an art that can be mastered easily, if we follow these points : 1. Use Actual Name. A lot of bloggers comment for the sole reason of SEO and so they use keywords as the name instead of their actual name. This does not bode well among readers, and they perceive the comments as spam.
