The Bilingual Edge Why When

The Bilingual Edge: Why, When, and How to Teach Your Child a Second Language [Kendall King, Alison Mackey] on Amazon.com. *FREE* shipping on qualifying offers. It's no secret that parents want their children to have the lifelong cultural and intellectual advantages that come from being bilingual. Parents spend millions of dollars every year on classes

The Bilingual Edge: Why, When, and How to Teach Your Child ...

The bilingual edge I was really excited for this book but as a bilingual mom of 2 I have to say it had very little - if any - new information. Most of it seemed like extensive explanations of common sense concepts and quickly got repetitive. I started skipping and skimming over paragraphs that were not relevant to my own family situation or got ...

The Bilingual Edge: Why, When, and How to Teach Your Child ...

Many of us intuitively grasp that knowing more than one language makes us smarter in some way. And indeed, this intuition is supported by lots of research. Part of the bilingual edge is that bilinguals tend to outperform monolinguals on many different sorts of tests. In what areas do bilinguals have an edge?

The Bilingual Edge: Why, When, and How to Teach Your Child ...

The Bilingual Edge is an expression of a particular set of parenting and linguistic ideologies. It is informed by a view that parenting is competitive and that bilingual parenting is a way to make children more competitive because bilingualism is supposed to confer a cognitive advantage.

The Bilingual Edge: Why, When, and How to Teach Your Child a Second Language By - Download

One of the books that I have recommended over the years is The Bilingual Edge: Why, When and How to Teach Your Child a Second Language, by Kendall, K. & Mackey, A. (2007). Many of the findings and advice within this book are true to supporting second language learning.

The Bilingual Edge - Immersed

Good news for monolingual parents! Research found that children who are either speaking or regularly exposed to multiple languages develop better social skills. That means that you don't even have to be bilingual yourself. Simply exposing your child on a consistent and regular basis to another language will provide her with that edge!

The bilingual edge: Advantages and benefits of being ...

The Bilingual Edge. The ability to speak more than one language feeds a nimble brain, and kids are better at it than the rest of us. Main image: Shutterstock.

The Bilingual Edge | Psychology Today

One of the areas where the bilingual advantage appears to be most persistent isn't related to a particular skill or task: it's a general benefit that seems to help the aging brain.
