

# The Business Of Heaven Daily Readings From C S Lewis Cs

In these daily reflections, the great British writer, scholar, lay theologian, broadcaster, and Christian apologist, explores a range of connected themes, including "the serious business of heaven," "Nearness to God," "Heaven and Sexuality," and "Two Kinds of Good and Bad."

The book that I have used for this section of my devotionals the past year is The Business of Heaven, by C. S. Lewis. Now, to be clear on this, Lewis never wrote this book as such. The book is a collection of the man's writings, one for each day. As part of my time with God each day, I have a spiritual diet of Bible reading, memorization, and then books on theology/sermons/biographies of men of God, etc.
