## **Collaboration or Co-optation? The Cicada Prophecy A Medical**

The author clearly did his homework in biology, but *The Cicada Prophecy* is lacking depth in numerous aspects, most notably social sciences; the extraordinary premise that in less than 30 years from now humanity as a whole will have discovered, developed and globally deployed a complicated medical operation with such far ranging implications (not to mention the minor issues of solving world hunger and nation-state aggression which would be prerequisite to such a deployment) requires extraordinary
