Aswath Damodaran Kerschner Family Chair in Finance Education, NYU Stern India Business Forum: India in the 21st Century Friday, January 11, 2013 Mumbai, India

The Dark Side of Valuation: India Business Forum
We continued our excursion on the dark side of valuation by first looking at mature companies on the verge of transitions, and how you can use the two values (status quo and changed) to derive a value today. We then moved on to emerging market companies, where concerns about country risk and corporate governance have to be incorporated.
