The Definitive Guide to Grails : Graeme Rocher : 9781590599952

The Definitive Guide to Grails, Second Edition (aka DGG2) is no doubt the best Java book I've ever read, and for what it's worth mentioning I read it from cover to cover. It was not only because it was about Grails I meant to get skilled at, but also for its comprehensive English language.

Amazon.com: Customer reviews: The Definitive Guide to Grails

Grails is the answer for Groovy/Java to the Rails web development environment, so one framework I considered was Ruby on Rails. Here again, I was concerned about security (there was a major security problem reported in 2013).
