

The Dirty Nasty Truth 18 True Crime Stories 10 Life In Prison Stories To Stop Juvenile Delinquency Bullying Youth Violence Gangs Shoplifting Teen Drinking And Drug Abuse Volume 1

"A collection of ten short stories that all take place in the same day about kids walking home from school"--

The ineffectual Ambassador is just one of the handicaps facing the Americans as Southeast Asia becomes increasingly involved with Communism Swedish cinema became recognized for daring representations of sexuality with such films as *One Summer of Happiness* (1951), *The Silence* (1963), *I Am Curious (Yellow)* (1967) and a wave of sex films in the late 1960s and 1970s. The association between Swedish film and sexuality shows up frequently in popular culture. From *Taxi Driver* (1976) to *Mad Men* (2007-2015), dirty Swedish movie references abound. Yet the connection has attracted little critical attention. In this collection of new essays, Swedish and American scholars go beyond popular misconceptions to explore the origins, influences and reception of sexuality in Swedish cinema during the "sexual revolution" on both sides of the Atlantic. A broad range of topics are covered, from analyses of key films, to a behind-the-scenes study of the Swedish Film Institute, which played a significant role in opposing Swedish film censorship.

This couples-version of the classic teenaged pastime promises hours of naughty and sensual fun. Every turn of the card and roll of the die is a chance for lovers to abandon inhibitions and explore their mutual passions.

Dirty Nasty Truth

From USA Today bestselling author K Webster comes a thrilling and steamy dark romance standalone! He's filthy rich. Spoiled beyond belief. The gorgeous man always gets what he wants. Normally, I stay far, far away from his type. Men like Braxton Kennedy are dangerous and sick. But he's made an offer I can't refuse. Six months. A ton of money. All I have to do is be his dirty, ugly toy. Play his dark and twisted games. Let him dress me up and parade me around in front of his friends. Pretend I'm someone I'm not. A sane person would run away from the likes of this bad boy billionaire. Me? I can't sign on the dotted line fast enough. I'm not a damsel in distress or some princess needing saving. I've been to hell and back all on my own. All I need from him is the fat paycheck he's offering. One problem. I start to like his games. A little too much. When my heart gets involved, he only wants to toy with it. The thing with spoiled boys and their toys, though... They eventually get bored and throw them away. **Dirty Ugly Toy is an enemies-to-lovers dark billionaire romance standalone. There are triggers in this story including drug use/overdose and some sexual violence.**

Cocaine is one of those drugs that waxes and wanes in popularity among teens but never really goes away. New research indicates

that cocaine is particularly harmful to young and still developing brains. This, coupled with the many other harmful physical and emotional repercussions of even casual cocaine use, make it all the more important to get the message across that this is one very dangerous and destructive drug. That is exactly what this text achieves, using vivid real-life vignettes, the latest scientific research, and law enforcement statistics and reports from the frontlines of policing. Any teen who reads this will be sobered by what he or she confronts here, and, hopefully, scared completely straight.

The #1 New York Times Bestselling Series An Amazon Best YA Book of 2020 Glitter Magazine's #1 Pick for Best YA of 2020
Optioned for Film by Universal My whole world changed when I stepped inside the academy. Nothing is right about this place or the other students in it. Here I am, a mere mortal among gods...or monsters. I still can't decide which of these warring factions I belong to, if I belong at all. I only know the one thing that unites them is their hatred of me. Then there's Jaxon Vega. A vampire with deadly secrets who hasn't felt anything for a hundred years. But there's something about him that calls to me, something broken in him that somehow fits with what's broken in me. Which could spell death for us all. Because Jaxon walled himself off for a reason. And now someone wants to wake a sleeping monster, and I'm wondering if I was brought here intentionally—as the bait.

Law Enforcement's Role

The Ugly American

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

Eric (Big E-Loc) Nichols is the co-founder of a notorious criminal street gang in the city of Bakersfield, California. The born leader and Gangster from birth, shares the true tales of his young life, as he introduces his readers to the dangerous world of the gangs, drugs, and prison lifestyle through his eyes.

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine

the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

(From the Playboy interview with Jay-Z, April 2003)

PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, *Volume Three*, was wack. People set higher standards for me, and I love it.

Edgar Award Nominee for Best First Novel Named a New York Times Best Thriller of 2021 "I devoured this riveting book through a day of travel...My desire to rush to the end clashed with my desire to savor every word. Who would be the last psychopath standing?" – New York Times Book Review "Fresh, fast-paced and fiendishly clever! If you love watching true crime and wonder about the psychopaths among us, this is the book for you!" – Lisa Gardner, #1 New York Times bestselling author

You should never trust a psychopath. But what if you had no choice? It would be easy to underestimate Chloe Sevre... She's a freshman honor student, a legging-wearing hot girl next door, who also happens to be a psychopath. She spends her time on yogalates, frat parties and plotting to kill Will Bachman, a childhood friend who grievously wronged her. Chloe is one of seven students at her DC-based college who are part of an unusual clinical study of psychopaths—students like herself who lack empathy and can't comprehend emotions like fear or guilt. The study, led by a renowned psychologist, requires them to wear smart watches that track their moods and movements. When one of the students in the study is found murdered in the psychology building, a dangerous game of cat and mouse begins, and Chloe goes from hunter

to prey. As she races to identify the killer and put her own plan for revenge into action, she'll be forced to decide if she can trust any of her fellow psychopaths—and everybody knows you should never trust a psychopath.

THE INSTANT NEW YORK TIMES BESTSELLER! Starred reviews from Kirkus Reviews * Publishers Weekly * Library Journal Named a “ Must-Read ” by TODAY, Us Weekly, Bustle, BuzzFeed, Goodreads, Entertainment Weekly, Publishers Weekly, Southern Living, Book Riot, Woman ’ s Day, The Toronto Star, and more! For two sworn enemies, anything can happen during the Hawaiian trip of a lifetime—maybe even love—in this romantic comedy from the New York Times bestselling authors of Roomies. Olive Torres is used to being the unlucky twin: from inexplicable mishaps to a recent layoff, her life seems to be almost comically jinxed. By contrast, her sister Ami is an eternal champion...she even managed to finance her entire wedding by winning a slew of contests. Unfortunately for Olive, the only thing worse than constant bad luck is having to spend the wedding day with the best man (and her nemesis), Ethan Thomas. Olive braces herself for wedding hell, determined to put on a brave face, but when the entire wedding party gets food poisoning, the only people who aren ’ t affected are Olive and Ethan. Suddenly there ’ s a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo. Agreeing to a temporary truce, the pair head for Maui. After all, ten days of bliss is worth having to assume the role of loving newlyweds, right? But the weird thing is...Olive doesn ’ t mind playing pretend. In fact, the more she pretends to be the luckiest woman alive, the more it feels like she might be. With Christina Lauren ’ s “ uniquely hilarious and touching voice ” (Entertainment Weekly), The Unhoneymooners is a romance for anyone who has ever felt unlucky in love.

A troubled young mother yearns for a shot at redemption in this heartbreaking yet hopeful story from #1 New York Times bestselling author Colleen Hoover. After serving five years in prison for a tragic mistake, Kenna Rowan returns to the town where it all went wrong, hoping to reunite with her four-year-old daughter. But the bridges Kenna burned are proving impossible to rebuild. Everyone in her daughter's life is determined to shut Kenna out, no matter how hard she works to prove herself. The only person who hasn't closed the door on her completely is Ledger Ward, a local bar owner and one of the few remaining links to Kenna's daughter. But if anyone were to discover how Ledger is slowly becoming an important part of Kenna's life, both would risk losing the trust of everyone important to them. The two form a connection despite the pressure surrounding them, but as their romance grows, so does the risk. Kenna must find a way to absolve the mistakes of her past in

order to build a future out of hope and healing.

While incarcerated at R.J. Donovan State Prison in San Diego, John Barrett Hawkins participated in the youth intervention program named "Convicts Reaching Out To People" (CROP). At CROP prisoners worked to help transform the lives of at-risk youth who were brought into the prison by police officers, parents and local schools. CROP was founded on the belief that the most effective way to deter delinquency is through story-telling. It is a public speaking forum where prisoners give personal testimonies concerning the crimes they committed and the lessons learned. The convicts also speak about other pertinent subjects including choices, gangs, drug use, self-esteem and life in prison. As a member of CROP at Donovan, Hawkins witnessed remarkable turnarounds in teens who were on a path of criminality. Hawkins realized that CROP provided a genuine opportunity for him to make amends for his past criminal activities. It was morally self-evident that he should use the story of the crime he committed and all the people he had hurt as a means of deterring others from breaking the law. Hawkins listened closely and took notes when the other CROP members gave their personal testimonies. The prisoners spoke to the groups of kids with raw honesty about the shameful crimes they committed. They were adept at revealing lessons that could only be learned through painful retrospect. Invariably, something traumatic occurred during each inmate's childhood - bullying, peer rejection, parental abuse, etc. - which resulted in their developing low self-esteem. As the convicts discussed the root causes of their criminality and the terrible things they endured as kids, the teens in attendance became conscious of pain that was fueling their own raw emotions and poor behavior. From this point of recognition real change as possible in those teenagers. At the CROP presentations Hawkins frequently interacted with the juvenile justice police officers and school teachers. They were evangelistic about the program's ability to transform the lives of teens that were making poor choices and getting into trouble with the law. One day Hawkins was speaking with a school administrator named Ms. Williams who remarked, "I wish I had a book with all of the CROP member's stories in it for the students I couldn't bring today." Hawkins took the idea and ran with it. The result is *The Dirty Nasty Truth*. In this book, Hawkins tells 18 true crime stories that reveal lessons for deterring delinquency

THE SUNDAY TIMES BESTSELLER We are losing ourselves. We're chasing the wrong things, asking the wrong questions, and polluting our

minds. It's time to stop, it's time to resist and it's time to rethink the fundamental social blueprint that our lives are built upon. 'As an 18-year-old, black, broke, lonely, insecure, university drop-out, from a bankrupt family, I wrote in my diary that I wanted to be a 'Happy Sexy Millionaire' by the age of 25. By 25 I was a multi-millionaire having created a business worth over \$300m dollars. Ironically, in achieving everything I set out to, I learnt that I was wrong about almost everything... The world had lied to me. It lied to me about how you attain fulfilment, love and success, why those things matter, and what those words actually mean. In this book, I'll dismantle the most popular, unaddressed lies about happiness that we've been led to believe. I'll expose the source of these lies, examine the incentives that fuel them and replace them with a practical set of scientifically proven and unconventional ideas that will help you to live a truly fulfilled life, a life full of the love you seek and the success you deserve.' 'This book will change your life if you let it.' - Tom Bilyeu, Co-Founder/CEO of Impact Theory & Co-Founder of Quest Nutrition

THE NEW YORK TIMES BESTSELLING SERIES WITH OVER ONE MILLION COPIES SOLD • Everyone is talking about this addictive must-read mystery with shades of Serial and Making a Murderer about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, Good Girl, Bad Blood! "The perfect nail-biting mystery." --Natasha Preston, #1 New York Times bestselling author

Amid the chaos of cybersex, impersonal sex, adultery, homosexuality, and sexual dissatisfaction in marriage, Undefined calls readers toward a new kind of spiritual and sexual revolution. Sexual impurity creates a vicious circle, one that springs from misconceptions about Christ and further taints our understanding of Him. Yet another circle is available to men and women trapped in sexual sin, a circle of sexual redemption. When practiced as God intends, spirituality and sexuality both draw us closer to Christ. Spiritual maturity and sexual maturity go hand-in-hand, and together they hold out the promise of redemption and restoration needed by everyone who has been damaged by sexual sin.

There is hope. Real change is possible; true intimacy is available. To the person who has failed time and time again sexually, God's message is simple: You, too, can be undefiled.

Warning this book contains highly sexual material. This book brings to light, sex in hockey, and how common group sex has become over the past several years. It contains confessional short stories from various Puck Bunnies, player ?s girlfriends, players and fans. I wrote this book to open peoples eyes to the new "Media Generation" of teenagers that openly participate in group sex. I do not form any opinions and have left it up to the readers to form their own opinions and views on the book and how they feel towards this sub-culture. Some girls are proud of their sexual exploits with hockey players and many of the player ?s girlfriends talk about how they deal with the rumours and the Puck Bunnies. The players discuss the Puck Bunnies, as well as the fans and stalkers. This book contains real truths of a sub-culture that was, is and will likely continue to happen, in the world of sports and foremost hockey. The content is written in a non-judgemental way and with no sarcasm or finger pointing. The book may be a hard read and difficult for some to swallow, but, believe you me, this sub-culture exists, even if the players change from year to year. For international customers (including Canada), please contact the book orders department by phone at (888) 795-4274 or by email at orders@xlibris.com.

DIRTY, RICH ONE NIGHT STAND. That's all it was supposed to be. Her. Him. Pleasure. And then a fast goodbye. He's a stranger. And yet, he's not. She knows him even though he doesn't know her. He's the powerful attorney, now world-renowned after coming off the trial of a century which was publicized across the country. And I'm one of the reporters that sat in his courtroom. I watched him, studied him, got to know him from afar which isn't hard since I know his exact brand of confidence, arrogance, and wealth. I know his type. I've dated his type. Which is why when I happen to come face to face with him, when sparks fly and heat simmers between us, I know what happens if I say "yes" to Reese Summer. I know he'll taste like sin and sex, even before he kisses me. I know he'll feel like pleasure and passion, even before he touches me. I know he'll demand more than I wants to give, and yet, because I dare to give myself to him, the result will be deliciously hot. I know that I will not leave his bed without being utterly, completely sated. ?And I know that I will leave the next morning anyway. And so, I do. And so, he follows. And as the chase begins my question becomes: Is Reese Summer THE one or is he really just a dirty, arrogant lie that should have stayed a one night stand?

DIVSingle-mother Florida bounty-hunter Lori Anderson returns in another nail-biting, high-voltage read. When Lori is kidnapped, and her family threatened, she has 48 hours to save them ... or lose everything... 'A real cracker' Mark Billingham 'My kind of book' Lee Child 'Like Midnight Run, but much darker ... really, really good' Ian Rankin _____ A price on her head. A secret worth dying for. 48 hours to expose the truth... Single-mother bounty-hunter Lori Anderson finally has her family back together, but her new-found happiness is shattered when she's snatched by the Miami Mob – and they want her dead. Rather than a bullet, they offer her a

job: find the Mob's 'numbers man' who's in protective custody after being forced to turn federal witness against them. If Lori succeeds, they'll wipe the slate clean and the price on her head – and those of her family – will be removed. If she fails, they die. With North due in court in 48 hours, Lori sets off across Florida, racing against the clock to find him and save her family. Only in this race the prize is more deadly – and the secret she shares with JT more dangerous – than she ever could have imagined. In this race only the winner gets out alive...

— 'Lori thinks with viper-like speed, speaks with strength and acts from her gut. Steph Broadribb has constructed a thoroughly believable world full of substantial yet flawed characters. I quite simply love this series, I leap in with total faith and just let myself go. Deep Dirty Truth is a thrilling, assertive and energetic read' LoveReading 'Sharp, thrilling and one hell of a ride. This series just gets better and better!' Chris Whitaker 'Brilliant and pacey' Steve Cavanagh 'Perfect for fans of Lee Child and Janet Evanovich' Alex Caan 'Broadribb's writing is fresh and vivid, crackling with life ... an impressive thriller, the kind of book that comfortably sits alongside seasoned pros' Crime Watch 'Fresh, fast and zinging with energy' Sunday Mirror 'Romping entertainment that moves faster than a bullet' Sunday Express 'Stylish with an original take on the lone wolf/bounty hunter theme. This is a novel alive with tension and intriguing twists. ... There's a good deal of wit at the expense of the complacent, anachronistic, loud mouthed quick-fisted mobsters. Just a whole hell of a lot of fun' New Books Magazine 'This is every bit as lively an outing for Broadribb's heroine as its predecessor, and the pace is satisfyingly unrelenting' Barry Forshaw's Book of the Month, CrimeTime 'Fast-faced, page-turning thriller ... It is so refreshing to read a thriller with a female ce

Strengthening Forensic Science in the United States

Doug Casey on Economics, Investing, and the Ways of the Real World with Louis James

Silent Hill: Betrayal

Allegory and Sexual Ethics in the High Middle Ages

Your favorite financial contrarian spreads the wealth in interviews on forty separate topics Investment guru Doug Casey made headlines with the financial approach he advocated in Totally Incorrect. Casey believes that the best returns come from going against the grain, and taking a closer look at what everyone else is leaving behind. This rational approach to speculation struck a chord with the investing public, inspiring the follow-up book Right on the Money: Doug Casey on Economics, Investing, and the Ways of the Real World with Louis James. In Right on the Money, Casey expands upon the basic ideas presented in Totally Incorrect, and translates them into actionable steps to take today to ensure a secure financial future. In a series of forty interviews, Casey presents his views on various topics, including investments, assets, real estate, and ethics. With his usual candor, he advocates for immediate action and lays down the path from idea to

investment. Regardless of your position on each topic, you'll be forced to consider a perspective you've never before considered on topics such as: Protecting your assets with educated speculation The pros and cons of gold, cattle, and real estate Ethics of investing and the morality of money The impact of the EU, Africa, Egypt, and North Korea No matter what topic he focuses on, Casey's primary message is always clear: act now. Stop paralysis by analysis and take the leap. You only get one financial future, and it's up to you to make it as secure and comfortable as possible. In *Right on the Money: Doug Casey on Economics, Investing, and the Ways of the Real World* with Louis James, Casey presents the case for investing against the grain, and reaping the rewards others have passed over.

Murder Stories takes on the difficult question of American retention of capital punishment by investigating the elusive role of ideology in the law. As such it is a prime example of contemporary scholarship on the death penalty and law and society.

For those of you starting a career or considering a different one: freelancing is the current rage and may be your best option. But only maybe. *Dirty Truths* examines what it takes to jam your foot in the door of self-employed opportunity, force it wider, and then slam it shut on competitors. *Dirty Truths* is an invaluable guide to navigating the demanding and frequently unforgiving freelance landscape, especially that of writing and other dodgy professions. No academic discourse or high-minded essays here: *Dirty Truths* is a dirty examination of a dirty way of life, filled with hilarious anecdotes and savage observations about the writing trade and its practitioners. Those who embrace this highly-unorthodox how-to book will be well equipped to withstand the career challenges ahead. Of course, readers may conversely be persuaded by *Dirty Truths* to pursue more conventional ways of making a living. And that's fine. You have to be a bit warped to go it alone in this increasingly uniform work world anyway.

From #1 New York Times Bestseller Vi Keeland, comes a new, sexy standalone novel. It was just a typical Monday. Until the big boss asked me to make the pitch for a prospective new client. After two years on shaky ground at work because of my screw up, an opportunity to impress the senior partners was just what I needed. Or so I thought... Until I walked into the conference room and collided with the man I was supposed to pitch. My coffee spilled, my files tumbled to the ground, and I almost lost my balance. And that was the good part of my day. Because the gorgeous man crouched down and looking at me like he wanted to eat me alive, was none other than my ex, Gray Westbrook. A man who I'd only just begun to move on from. A man who my heart despised—yet my body obviously still had other ideas about. A man who was as charismatic and confident as he was sexy. Somehow, I managed to make it through my presentation ignoring his intense stare. Although it was impossible to ignore all the dirty things he whispered into my ear right after I was done. But there was no way I was giving him another chance, especially now that he was a client ...was there?

From Colleen Hoover, the #1 New York Times bestselling author of *It Ends With Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

Guyonn offers an innovative new approach to the ethical, cultural, and ideological analysis of medieval allegory. Working between poststructuralism and historical materialism, he considers both the playfulness of allegory and its disciplinary force.

From the acclaimed, controversial singer-songwriter Sinéad O'Connor comes a revelatory memoir of her fraught childhood, musical triumphs, fearless activism, and of the enduring power of song. Blessed with a singular voice and a fiery temperament, Sinéad O'Connor rose to massive fame in the late 1980s and 1990s with a string of gold records. By the time she was twenty, she was world famous--living a rock star life out loud. From her trademark shaved head to her 1992 appearance on *Saturday Night Live* when she tore up Pope John Paul II's photograph, Sinéad has fascinated and outraged millions. In *Rememberings*, O'Connor recounts her painful tale of growing up in Dublin in a dysfunctional, abusive household. Inspired by a brother's Bob Dylan records, she escaped into music. She relates her early forays with local Irish bands; we see Sinéad completing her first album while eight months pregnant, hanging with Rastas in the East Village, and soaring to unimaginable popularity with her cover of Prince's "Nothing Compares 2U." Intimate, replete with candid anecdotes and told in a singular form true to her unconventional career, Sinéad's memoir is a remarkable chronicle of an enduring and influential artist.

An unearthly adversary descends on an idyllic fantasy world, corrupting magic against good and slaughtering innocents, and only a single man can stop him.

Murder Stories

Some lines should never be crossed. But sometimes the temptation is too good to resist... Mason Black was everything to me: my father, my provider, my protector. But then one day, he vanished, leaving me lost and alone. I was devastated. Years later, just when I thought I had put the pieces of my life together, my world splintered apart again. Everything I thought I knew about my biological father and Mason's role in my life? Turns out, it was all a lie. Every. Last. Word. Now Mason's back. However, he offers no excuses, no explanations. He just wants me to be what he claims I've always been: his little girl. But the ache inside me won't be denied. The longing I feel isn't one of a little girl who misses her father. No. I need Mason to be more than just a father figure. More than a loving protector. I need him to be my Daddy. ***Brace yourself for a twisty, forbidden romance so deliciously devious, it'll tie you up by your heartstrings and then drag you along for the ride. Like my Quick-and-Dirty Reads, it features a guaranteed melt-your-heart ending. But unlike those shorter stories, this is hardly a light-hearted romp. If you're a fan of very taboo older man/younger woman pairings, broody, protective Daddy figures, and contemporary Gothic vibes, then this book was tailor-made for your Kindle.

The Detailed Patterns & Beautiful Designs Adult Coloring Book is full of original, detailed designs and patterns for you to relax and color. Color the intricate designs and find yourself focused, centered, and at peace. The images are printed on large 8.5 x 11 high quality paper so you'll have plenty of space to work on the details and be creative. After you are finished, you'll have lovely works of art that are worthy of hanging on the wall. Coloring is a creative, novel way for busy adults to relax and unwind from the hectic pace of modern life. Grownups of any age and even older children who love to color can enjoy this unique and special coloring book.

Since World War II, the American West has become the nation's military arsenal, proving ground, and disposal site. Through a wide-ranging discussion of recent literature produced in and about the West, *Dirty Wars* explores how the region's iconic landscapes, invested with myths of national virtue, have obscured the West's crucial role in a post-World War II age of "permanent war." In readings of western—particularly southwestern—literature, John Beck provides a historically informed account of how the military-industrial economy, established to protect the United States after Pearl Harbor, has instead produced western waste lands and "waste populations" as the enemies and collateral casualties of a permanent state of emergency. Beck offers new readings of writers such as Cormac McCarthy, Leslie Marmon Silko, Don DeLillo, Rebecca Solnit, Julie Otsuka, and Terry Tempest Williams. He also draws on a variety of sources in history, political theory, philosophy, environmental studies, and other

fields. Throughout *Dirty Wars*, he identifies resonances between different experiences and representations of the West that allow us to think about internment policies, the manufacture of atomic weapons, the culture of Cold War security, border policing, and toxic pollution as part of a broader program of a sustained and invasive management of western space.

***FINALIST, USA Best Books 2010 Awards – Spirituality & Self-Help: Relationships The quest for lasting love is one of life's essential pursuits, in some ways the most essential. But it's also a quest that's impossible to separate from spiritual and sexual needs. In *Eros Ascending*, author John Maxwell Taylor offers a wide-ranging study of sexual dysfunction in society and explains how healthy sexuality can be an entryway to universal love and higher consciousness. Based on Taylor's twenty-three-year experience with Taoist practices, the book presents an engaging analysis of love, relationships, and sexuality from spiritual, romantic, and sexual perspectives. Taylor melds essential ideas by Jung, Gurdjieff, and Taoist Master Mantak Chia with science, biology, spiritual tradition, and current popular culture to shed new light on this eternal yet misunderstood subject. Not just for couples, the book is equally useful for single people who want to understand the methods for "learning to love yourself" in preparation for a fulfilling, long-term relationship. Taylor draws on his eclectic background as a successful playwright, composer, actor, and musician in this persuasive plan for converting ordinary sexual energy into food for the soul.
