The Doctor's Baby Bombshell Jennifer Taylor Gorgeous doctor Ben Nicholls might be the heart-throb of Dalverston General A&E, but he locked up his heart and threw away the key the day he watched Dr Zoe Frost walk away from him.

They were both from England but met in New York. Both were doctors who specialities was orthopedic surgery. But there was miscommunication and he had to go to Chicago. While there she found out that she was pregnant. She goes home. Now if I go on any more you won't need to read this book. I felt it dragged some in the beginning.
