The Ethos Of Europe Values

The Ethos of Europe

The so called 'fluidity' and 'invisibility' of the EU concerning its values has been often held responsible for turning the ethos of the EU into a 'patchwork' of contingent values whose scope and content are forever 'in motion' (Williams, 2010).

The Ethos of Europe: Values, Law and Justice in the EU ...

The ethos 's incoherence lies, in his view, in the way in which the values at the heart of the EU project are both ambiguous and indeterminate; while the lack of commitment is the product of the half-hearted way in which the institutional framework (in particular European law) supports a public philosophy for Europe, while functioning more as a prop for European governance.
