

# The Fire Prevention Handbook

the Protection Handbook is not intended to be a fire safety design guide, technical reference work, or code of practice for any aspect of fire safety, or fire safety legal enforcement by enforcing authorities, or authorities having jurisdiction. The Authority does not give any warranty, express or implied, with respect to the material

The Fire Safety Handbook is an essential reference for anyone involved in the management of fire safety in any workplace, this includes supervisors, team leaders, fire wardens (marshals) and staff working in areas where there is a potential risk of fire.
