

# **The Fountain Of The Love Of Wisdom An Homage To Marie Louise Von Franz**

## **The Fountain Of The Love**

Fountains of Love The famous fountains of love in Philadelphia have been the site of hundreds of proposals and thousands of first kisses. And if you can imagine the love already swirling the air in the city of brotherly love, then the passion surrounding these two young lovers at this altar of romance would be sure to bring a smile to any onlooker!

From J. Paul Getty Museum, François Boucher, The Fountain of Love (1748), Oil on canvas, 7.6 cm diameter

The story of the Garden of Love, an allegory of the nature and progress of love that has its origins in the poetry of classical antiquity and the Middle Ages, centers on this Fountain of Love. The fountain brings forth the water, into which Cupid dips his arrows or from which lovers drink and fall in love.

The Fountain is a 2006 American epic romantic drama film that blends elements of fantasy, history, spirituality, and science fiction. It is directed by Darren Aronofsky, and stars Hugh Jackman and Rachel Weisz. The film consists of three storylines involving immortality and the resulting loves lost, and one man's pursuit of avoiding this fate in this life or beyond it.

A new mood of gravity and romantic passion enters Fragonard's art in 'The Fountain of Love'. Two lovers are shown hastening to the fountain, 'both aflame, eyes shining, they direct their thirst and the

desire of their lips towards the enchanted cup', as the Goncourts memorably described.
