Jesse Ward

her with his

Leaving him was the only way Ava O'Shea could survive, but she should have known that Jesse Ward is impossible to escape. Now he's back in her life, determined to remind her of the sensual pleasures they

Page 3/75

had shared, but
Ava is equally
determined to
get at the truth
beneath this
man's steely
exterior. That
means letting
herself get
close to the
Lord of the
Manor once more.
And it's exactly
where Jesse

Southern-style
politics was one of
those peculiar
institutions that

Page 30/75

differentiated the South from other American regions. This system -- long referred to as the Solid South -- embodied a distinctive regional culture and was perpetuated through an undemocratic distribution of power and a structure

Page 31/75

based on
disfranchisement,
malapportioned
legislatures, and
one-party politics. It
was the mechanism
that determined who
would govern in the
states and localities,
and in national
politics it was the
means through
which the South's

Page 32/75

politicians defended their region's special interests and political autonomy. The history of this remarkable institution can be traced in the gradual rise, long persistence, and ultimate decline of the Democratic Party dominance in

Page 33/75

the land below the
Potomac and the
Ohio. This is the
story that Dewey W.
Grantham tells in his
fresh and
authoritative
account of the
South's modern
political experience.
The distillation of
many years of
research and

Page 34/75

reflection, is both a synthesis of the extensive literature on politics in the recent South and a challenging reinterpretation of the region's political history.

nothing like you

In fact, it kind of
sucks. She's not

She's just an

nerdy girl from an

from the wrong side
of the tracks (not to
mention stuck in the
world's longest

the most
embarrassing
allergy in the history
of the undead, she's
blood intolerant. So
no one's more

Keeland. The first
time I met Hudson

Page 61/75

Rothschild was at a wedding. I'd received an unexpected invitation to one of the swankiest venues in the city. Hudson was a groomsman and quite possibly the most gorgeous man I'd ever laid eyes on. He asked me to

Page 62/75

dance, and our chemistry was off the charts. I knew it wasn't a good idea to get involved with him, considering the wedding I was at. But our connection was intense, and I was having a great time. Though the fun came to a screeching halt

Page 63/75

when Hudson

You see, that

was sent to my ex-
roommate who'd

and moved out in the middle of the night. I figured she owed me an expensive night out, but I guess, technically, I was crashing the wedding. Once caught, I couldn't get out of there fast enough. As I bolted for the door, I

Page 65/75

might've plucked a few bottles of expensive champagne off the tables I passed, all while the gorgeous, angry groomsman was hot on my tail. Outside, I jumped into a taxi. My heart ricocheted against my ribs as we drove down the block—but

Page 66/75

at least I'd escaped unscathed. Or so I thought. Until I realized I'd left my cell phone behind at the table. Take one guess who found it? This is the crazy story of how Hudson Rothschild and I met. But trust me, it's only the tip of the iceberg.
