

## The Heart Of Addiction A New Approach To Understanding And Managing Alcoholism And Other Addictive Behaviors

The Heart of Addiction How psychology drives addictive behavior. Lance Dodes, M.D., is a former professor of psychiatry at Harvard Medical School. About The Heart of Addiction .

This book makes the distinction between what the world terms a 'disease' and what Scripture demonstrates is a life-dominating sin nature problem. You will find biblical tools to help you examine your heart's motives at the root of the addiction. The Heart of Addiction: A Biblical Perspective (9781885904683) by Mark E. Shaw

And heart wounds caused by the pains of addiction can last for a lifetime if not resolved and treated properly. Recovery isn't just for the individual struggling with heroin or alcohol.Treating a broken heart from a loved one's addiction involves your own recovery.

The Heart of Addiction book was recommended to me by a Pastor, of a different denomination with no affiliation to my Church. He started an Addiction Recovery Ministry at his Church probably 20 years ago. He regards this book as a must have and a must read. Read more.

Drug addiction and alcoholism have serious negative health consequences on all of the body's organs, including the heart and brain. There is a direct connection between drug abuse and the abuse of alcohol and heart disease, collapsed veins, bacterial infections, cardiovascular distress, heart attack and stroke.

### The Heart Of Addiction A

(Mark E. Shaw, The Heart of Addiction: A Biblical Perspective, Page 205, Kindle Edition) This book is awesome in my opinion. Most books on addiction are based on secular philosophies that leave God out of the picture. I don't know how anyone can overcome addiction without the strength and help of God. I would say it is literally impossible.

### The Heart of Addiction: A Biblical Perspective by Mark E. Shaw

Since The Heart of Addiction goes into a bit more depth in terms of psychology, I think it is a good complement to the SMART system. There is no perfect treatment for addiction, and the more solid information and meaningful ideas that I can access, the better.
