Download macOS Catalina for an all new entertainment experience. Your music, TV shows, movies, podcasts, and audiobooks will transfer automatically to the Apple Music, Apple TV, Apple Podcasts, and Apple Books apps where you 'll still have access to your favorite iTunes features, including purchases, rentals, and imports.

iTunes - Apple

That's the case with Apple's iPod touch. While the iPod touch does come with a few slight pages of documentation, you don't get a robust user manual in the box. Apple offers iPod touch manuals at its website for every version of the iOS that the touch can run, as well as some additional information.

Need Manuals for the iPod Touch? Download Them Here

Like the 4th Generation, its control buttons are arranged in a circle on the iPod's face and it has a clip on the back. It's about the size of a book of matches and was the first generation of the Shuffle to come in a variety of colors (the 1st Gen. model had only been available in white).
