Page 24/99

Brazilian Jiu-jitsu (BJJ) is a martial art and combat sport system that focuses on grappling and especially ground fighting. BJJ promotes the concept that a smaller, weaker person can successfully defend against a bigger, stronger, heavier assailant by using proper technique, leverage, and most notably, taking the fight

to the ground. Contact.

to think clearly when
the pressure is on.
Big-wave surfing is
much the same. For
example, trying to
escape a choke hold
in jiu jitsu is
comparable to being...

In other words, Jiu Jitsu is a hobby and a sport. It is something to be enjoyed; something we do for fun in our spare time. As a hobby, the student should focus on having fun while he or she progresses within the art-- regardless of how fast or slow progress occurs.
