Violent Leader

Falling in love was never in the cards for me. I've never had a problem getting a companion for the night. Being the leader of the largest and most powerful mafia in the entire world didn't leave me time for anything else. Unfortunately for me, love doesn't give a damn about schedules or how much free time one has. Love strikes when it wants to, and it does it furiously and without prejudice. For me, love came in the exotically beautiful and completely forbidden Arianna Massena, daughter of a rival mafia. I do everything I can to stay away from her, but when her father starts treating her like dirt and tries setting her up with the son of another mafia, I'm forced to take action. I won't lose my girl to anyone else, and there's no way I'll ever let her be treated like nothing more than property or a bargaining chip. Taking Arianna away from the danger that is her father flips both of our world's upside down. I've never been afraid to do what needs to be done to protect my family, but I didn't dare dream the dangerous lengths I'll need to go to in order to protect the woman I love.

Better to be at the right hand of the devil than in his path... When you come from a crime family, you have a name to live up to. My enemies know I'm a bastard who shows no mercy-exactly the cold-hearted don my father would want me to be. Except we're not the ones in charge. Yet... The Boss wants me to take over his billion dollar business, and the only way that's happening is if I can win the heart of his cop daughter. I planned to treat her just like all the other women who meant nothing to me, but everything about her is tempting. Her beauty, her body, her soul. Money and Power. That was all this was supposed to be about... Falling in love wasn't part of the plan. Neither was finding out that her father has a hidden agenda, and I'm just a pawn in his game.
