What if the chance of a perfect life... put your daughter in grave danger? Being a single mother is tough, but I'd do anything for my little girl Scarlet. I'd given up on my career as a voice actor when the call came, but suddenly I was the new narrator for a secret book from bestselling author Philippa Roberts, who has been missing for eight months. It was a lifeline for me and my daughter. I hated that it meant leaving Scarlet with my ex in his perfect new home with his perfect new girlfriend. But I knew it was the right thing to do. But as I start reading Philippa's new novel, I start to wonder if it's no coincidence that I've been chosen to narrate it. There's something hidden in the pages of this book, I'm sure of it. Some clue to Philippa's disappearance. And I don't feel safe. I think I'm being watched. My room has been searched. And then my ex's girlfriend calls in tears and everything starts to click together. If I don't find answers fast, I'll lose more than my second chance. I'll lose my daughter. A completely gripping thriller that will hook you in from the first page and leave you gasping out loud.
