not, if you give your honest and detailed thoughts then people will find new books that are right for them.

The Optimism Bias A Tour

Page 4/89

the-optimism-bias-a-tour-of-irrationally-positive-brain-ebook-tali-sharot

Optimism bias is the belief that the future will be better, much better, than the past or present. And most of us display this bias.
Neuroscientist Tali Sharot

Page 5/89

the-optimism-bias-a-tour-of-irrationally-positive-brain-ebook-tali-sharot

wants to know why: What is it about our brains that makes us overestimate the positive? She explores the question in her book *The Optimism Bias: A Tour of the Irrationally Positive*
